

The Yun Family's Ninth Child is an Imp! Chapter 1536

Thinking of this, Qin Mingzhu seemed to walk to Yin Sulian's side unintentionally, she said to herself, "It seems that young master Wuji is really a little drunk. It's best to drink some hangover soup. Moreover, it's so late at night and there's only one man and one woman. TSK TSK, it's really hard to say."

Yin Sulian's heart was immediately shocked. That B * Tch Yun chujiu was used to seducing men. Perhaps young master Wuji was drunk, promiscuous, and sexually promiscuous. The two of them could do it. No, she had to stop them.

Qin Mingzhu watched as Yin Sulian left in a hurry. She was very pleased with herself. This idiot. As expected, she fell for it with just a slight hint from her. She was much easier to deal with than Yin Xinlian.

Not far away, Baili Yan's eyes flashed with a hint of mockery. The corners of her mouth curled up into a sneer as she turned around and left.

Although Qin Mingzhu really wanted to see Yun chujiu and Xue Wuji being caught in bed together, in order to get rid of the suspicion, she still walked towards her own dormitory.

Qin Mingzhu was in a good mood and walked briskly. By the time she sensed the strong wind, it was already too late for her to dodge and she fell into darkness.

This time, Yin Sulian learned her lesson and did not rashly go to the guest room. Instead, she gathered some people and headed to the guest room under the name of delivering sobering soup. Among the people following behind Yin Sulian were some of her usual lackeys, there were also some people who liked to watch the show.

An hour later, Yin Sulian led her people to the outside of the guest house.

“Young Master Wuji, Young Master Wuji, I’ve brought you the sobering soup!”

Yin Sulian shouted several times, but there was no movement in the courtyard. Yin Sulian became anxious. Could it be that the two of them had already slept together? No, she could not let such a thing happen. Young Master Wuji was hers!

Yin Sulian gritted her teeth and went straight to the door. Perhaps Xue Wuji was careless and did not activate the protective array. Yin Sulian led her men and rushed into the courtyard.

Yin Sulian was stunned when she saw the situation in the courtyard!

Xue Wuji and Yun Chujiu were playing chess. Xue Wuji’s expression was normal. He was not drunk at all?

“Yin Sulian, I remember telling you that I don’t want to see you. Why did you force your way into my courtyard? Are you trying to do something naughty while I’m Drunk?”

Yin Sulian explained in a panic, “Young Master Wuji, I’m not. I’m here to give you some hangover soup.”

“HMPH! What you said is really grand. I don’t need your fake good intentions. Scram! If this isn’t the Tian Yuan Academy, I’ll definitely kick you away!”Xue Wuji said impatiently.

Yin Sulian’s face flushed red. She wished she could find a hole to hide in. Then, she heard Yun chujiu say, “Yin Sulian, I’ve already said that you don’t have a brain. I’m afraid that you’re being used by others again, right? TSK TSK, why don’t you learn your lesson!”

Yin Sulian glared at Yun chujiu fiercely, but she was secretly hating in her heart. Could it be that that B * Tch Qin Mingzhu deliberately said those words to her? Just to humiliate her?

When Yin Sulian thought of this, she left angrily with her people!

“Brother Wuji, Huahua should have succeeded, right?”

“HMPH!”! If he didn’t do such a small thing well, he wouldn’t need to live anymore! That Idiot Qin Mingzhu actually wanted to scheme against me? She really underestimated me, Xue Wuji! If I wasn’t

afraid of the Gui Yuan sect, I would have killed her directly this time."Xue Wuji's eyes had a trace of fierceness.

"Brother Wuji, who do you think is the person who sent us a note to remind us?"Yun Chujiu held a piece of paper in her hand. There were only five words on it, "Be careful of Qin Mingzhu."
