

The Yun Family's Ninth Child is an Imp! Chapter 1540

Yun chujiu found a problem. Ever since the incident with Qin Mingzhu, Xue Wuji had become abnormal. He was often in a daze and would ask some strange questions.

“Little Sister Jiu, if, if a girl had something with a stranger, what would her reaction be?”

Yun chujiu looked at Xue Wuji suspiciously. “Brother Wuji, what do you mean by that?”

Xue Wuji's phoenix eyes flashed with a hint of embarrassment. “That's right, it's something I would do after I got married.”

“Something I would do after I Got Married? Have Sex? Brother Wuji, are you having sex?” Yun chujiu asked with a strong light of gossip.

“Nonsense, nonsense! I have always kept myself as a jade! Why would I do such a thing! I'm just curious! Didn't Qin Mingzhu and Yin Xuecheng decide to get married after that? So I'm more curious.” Xue Wuji's eyes flickered a few times as he asked.

Yun chujiu really believed him. It was not that she was careless, but she knew that Xue Wuji's personality was perverse and it was difficult for a woman to enter his eyes, let alone develop to the point of having sex. So she said,

“This depends on the circumstances under which the two of them have sex, and also depends on the character of the woman. If it was forced, F * ck, if it were me, I would definitely kill that B * Stard!

“If the two of them are in love, then let it develop further. Marriage is also possible. “Of course, there is another possibility, which is that the girl feels that her innocence has been taken away by someone and let the man be in charge of marrying her. In fact, this kind of girl is the most foolish. Do you want to use your lifetime of happiness to pay for a mistake? She was truly foolish!”

Xue Wuji’s hand clenched into a fist. “No, there’s no other possibility?”

Yun chujiu looked at Xue Wuji suspiciously. “Brother Wuji, why are you so interested in this question? Could it be that you really did it?”

Xue Wuji Sighed. “Little Sister Jiu, I finally asked you a question, but you’re still so impatient. It really makes me sad! Forget it, I won’t ask anymore.”

Yun chujiu teased him a few more times and then skipped away.

Seeing that Yun Chujiu had left, Xue Wuji said to Hua Hua in the dark, “Haven’t you found her yet?”

“Young master, there’s still no news.”

“Trash! You Can’t even find a person without spiritual power? Also, are you pigs? How could you let her leave so easily?”

At this point, Xue Wuji thought of the darkest day of his life.

That day, Xue Wuji and the strange woman that secret protector Hua Hua Hua found spent the night together. Most of the time, Xue Wuji’s mind was not clear, but he occasionally remembered some fragments.

The woman’s delicate skin, alluring curves, and a pair of cold eyes..,

yes, in the end, the woman woke up. Xue Wuji thought that the woman would try her best to resist or cry, but she did not.

The woman looked around the room and then looked coldly at Xue Wuji, who was moving up and down on her body. She frowned and curled her lips. “Poisoned?”

Xue Wuji naturally could not answer her. At that time, he only had one thought, and that was to vent the desire that was about to explode in his body.

The woman was silent for a long time, as if she was thinking about something. Then, she curled her lips at Xue Wuji again. "You're quite good-looking. It's a good time to borrow something from you. We have to work harder."

Xue Wuji did not understand what the woman meant. Then, he was pressed under the woman's body. The woman's black hair fluttered in the wind, and her cold eyes were stained with some beauty. For a moment, Xue Wuji.., he felt that his heart would not beat.
