

## The Yun Family's Ninth Child is an Imp! Chapter 1542

Another few days passed, but Xue Wuji still could not find that woman. It was as if that woman had never appeared. If not for the bed sheet in Xue Wuji's storage ring, he would have suspected that it was just a dream.

Xue Wuji was not in the mood to stay in Tian Yuan Academy anymore. For some reason, he only had little sister Jiu in his heart. Although he still had little sister Jiu's position now, most of the time.., he was actually thinking about that damn woman.

Although Yun Chujiu felt that Xue Wuji was a little abnormal, she did not manage to get anything out of him after a few indirect inquiries, she could only say, "Brother Wuji, if you need any help, just let me know. I will definitely do my best to help you."

Xue Wuji Smiled sinisterly. "Little Sister Jiu, there is nothing that I can not solve. But don't worry, if I need your help, I will definitely tell you. I'm leaving. Be careful of that Idiot Qin Mingzhu. She will definitely not let it go."

"Brother Wuji, don't worry. I'm not afraid of trouble! Have a safe trip!" Yun chujiu waved her handkerchief to send Xue Wuji off.

Xue Wuji's heart ached. Little Sister Jiu, brother doesn't have the right to pursue you anymore. Brother's innocence has been ruined by that D \* MN Woman. I'm no longer pure, SOB SOB SOB..

Secret Protector Hua Hua listened to Xue Wuji's muttering to himself. Her heart was like a dog that was bawling. 'Young Master, did you make a mistake? Even if you're crying, it should be that woman who's crying, right?'

After Yun Chujiu sent Xue Wuji Away, her study and life returned to the right track. After the incident with the Burning Sky Mystic Realm, she had learned a lesson. She could not rely too much on external things like talismans and puppets. It was better to increase her spiritual power as soon as possible.

Therefore, other than attending classes, this fellow spent all his time cultivating his spiritual power.

That afternoon, Yun Chujiu was cultivating in the courtyard. Xiao Heiniaoy and the other two were playing in the courtyard while Xiao Mogu was sunbathing in the soil contentedly.

Yun chujiu remembered that the fragments of the great void mystic realm had yet to be fused. She quickly passed the sixth piece of the Great Void Mirror to Mao Qiuqiu. After Mao Qiuqiu formed a seal, the great void mirror fragment was completely fused.

Yun Chujiu asked Mao Qiuqiu with a hopeful look, "What abilities does Xiao Jingjing have now?"

Mao Qiuqiu said with a slight guilty conscience, "Master, now you can release the low-grade earth-grade spirit herbs and level 15 demon beasts."

Yun Chujiu was instantly discouraged. The low-grade earth-grade spirit herbs were still useful, but the fighting strength of level 15 demon beasts could be ignored. This great void mirror was said to be a divine artifact, but I think it was a good-looking but useless thing., even if I find two more fragments, they might not be of any use.

This fellow looked at the corpse of Xiao Mogu again and felt extremely stifled. Why are all the things I obtained good-looking but useless? Is it because I cheated them? Is this karma?

Bah Bah Bah Bah! These are all potential stocks. They will definitely be great killing weapons in the future. It must be like this!

Another month passed. It was about to be a long holiday. Yun chujiu originally thought that the Yin family and Qin Mingzhu would make a move, but she didn't expect that nothing actually happened.

Finally, the day of the holiday had arrived!

On this day, all the students were attending a meeting in Tianyuan Academy. They were only talking about some things to take note of during the holiday, and Yun Chujiu was dozing off from listening to them.

Just as the meeting was announced to be over, there was a commotion, and everyone looked up at the sky.
