

The Yun Family's Ninth Child is an Imp! Chapter 1556

Yun chujiu and manager Luo came to the Lan family's guest house together, yun chujiu stretched her neck and shouted, "Madam Lan, I've come to apologize to you! Come out and welcome me! If you don't come out, I'll take it that you've forgiven me, then I'll leave!"

The corner of manager Luo's eyes twitched violently. You've come to apologize, and you're asking them to come out and welcome you? This is the first time I've heard of someone apologizing like this. Aren't you being too insincere?

The mother and daughter of the Lan family in the house were also so angry that they were gnashing their teeth. Lan Luoxue gnashed her teeth and said, "Mother, how is this Yun Chujiu here to apologize? She's here to provoke us."

Madam Lan smiled coldly. "Whether she's here to apologize or to provoke us, as long as she enters our courtyard, our plan will be half successful. However, luoxue, you'll have to suffer a little later."

"Mother, as long as I can chase that B * Tch Yun chujiu out of the Temple of Immortals, I don't mind suffering a little." Lan Luoxue's eyes flashed with a trace of viciousness. B * TCH, no one has ever dared to treat me like this before. The humiliation you've brought me.., today, I'll return it to you with interest!

After the mother and daughter of the Lan family had finished discussing, Madam Lan gestured for the maid to call Yun Chujiu in.

The maid walked to the door of the courtyard and opened it. "Miss Jiu, our madam invites you in."

Yun Chujiu swaggered in, and manager Luo followed her into the courtyard.

The guest room where the mother and daughter of the Lan family lived was very spacious. There was a separate reception hall, so Yun Chujiu and manager Luo were brought to the reception hall by the maid.

Madam Lan sat on the main seat, her face gloomy. Lan Luoxue snorted when she saw Yun chujiu come in, but she did not get up to greet her.

If an ordinary person were to encounter such a situation, they would definitely feel very awkward. However, it was clear that Yun Chujiu was not an ordinary person. This fellow sat on the chair opposite Lan Luoxue, she crossed her legs and said, "Madam Lan, Sister Luoxue, I'm here to apologize to all of you! You are such kind and understanding people. You will definitely forgive me, right?"

Lan luoxue sneered, "Yun Chujiu, is this an apology? Don't you have any sincerity at all? You're forcing us to forgive you!"

"Sister Luoxue, then how do you think I should apologize?" Yun Chujiu asked with a smile, and then activated the recording stone in her sleeve.

“Humph! You must kneel down and Kowtow to me and my mother to admit your mistake. This is called sincerity.”

“Sister Luo Xue, I have already apologized to you guys just now, and you still want me to kneel down? This, isn’t this too much of a bully?” Although Yun Chujiu’s words were very reasonable, she winked at them with a provocative look.

Manager Luo stood at the back and naturally could not see Yun Chujiu’s expression, so she was a little dumbfounded. Why did Miss Jiu suddenly change her style? Wasn’t she very arrogant just now? Why did she suddenly become so reasonable?

Lan Luoxue stood up in a fit of anger. “Yun Chujiu! I think you didn’t come here to apologize at all, you came here to provoke! HMPH, the trash from the Qing Xuan continent really doesn’t have any upbringing! How Rude!”

Yun chujiu said aggrievedly, “Sister Luoxue, I came here sincerely to apologize to you. You, you actually insulted me like this, you are really too much!”

Lan Luoxue was feeling a little anxious. She had originally thought that once Yun Chujiu was angered, she would curse loudly and even make a move. After that, she could go and complain to Di Linhan. But why did this slut suddenly not act rashly today?
