

The Yun Family's Ninth Child is an Imp! Chapter 1580

Yun Chujiu's eyes flashed with a cold light. In just an instant, she returned to a submissive look. However, she stumbled and just happened to Dodge Lan Xiang's foot.

Lan Xiang did not expect Yun Chujiu to dodge. She used too much strength and fell forward. Yun chujiu reached out to support Lan Xiang and said in a rough voice, "Be careful!"

Lan Xiang shook off Yun Chujiu's hand in exasperation, "Get lost! You Don't have to pretend to be kind!"

Yun chujiu returned to her bed submissively. Lan Xiang scolded a few more times before she put out the candle and everyone went to rest.

Yun chujiu waited until Lan Xiang fell asleep before she took out the sound transmission talisman to send a message to di beiming. To her surprise, the sound transmission talisman did not succeed. What was going on?

Could it be that the voice transmission talisman had not been used for a long time, so it had failed?

Yun Chujiu tried the voice transmission talisman with an Feng and Xue Wuji again. Without exception, none of them could be used.

Perhaps, there was a formation in the dormitory? Let's try it at the Canteen Tomorrow!

Yun chujiu was a big-hearted person. She put away the voice transmission talisman and fell asleep sweetly.

“Daybreak, you B * Tch! You're still sleeping! Hurry up and go to work! If you drag me into manager Liu's scolding, I'll tear your skin off!”

Yun chujiu suddenly sat up and stared at Lan Xiang who was shouting in front of the bed. Lan Xiang was shocked by Yun Chujiu's gaze. When she looked again, she found that the person on the bed was still as obedient as before, she thought that she might have been seeing things. Not to mention that this B * Tch had fallen to such a state, even when she was in her glory days, she did not have the same imposing manner as before.

When she thought of this, Lan Xiang immediately regained her arrogance. “What are you standing there like a wooden stake for? Hurry up and wash up!”

Yun chujiu got up and ran out of the courtyard in a flash. She rushed to the place where she washed up.

As she ran, she cursed in her heart. Damn it, Little B * TCH, if I was not afraid of being exposed now, I would not have tortured you to death!

Yun chujiu washed up briefly before running back. Lan Xiang had already closed the courtyard door, she had a look of disdain on her face. "HMPH! Actually, it doesn't make any difference whether you wash up or not. Anyway, you wear that veil all day long. Do you think that after you wash up, the scar on your face can be removed? !"

Yun chujiu followed behind her fearfully and did not say a word, allowing Lan Xiang to curse non-stop at the side. Yun chujiu observed her surroundings without batting an eyelid. First, she passed by a large area of the dormitory. After walking for another 15 minutes, she finally saw the big words "Canteen".

When Yun chujiu and Lan Xiang arrived, there were already other people busy in the canteen. A short fat man with a greasy face saw the two of them, he scolded loudly, "What Time is it? You just died! Hurry up and start a fire! If you delay breakfast, I won't Forgive You!"

Lan xiang twisted her waist and walked over. She pinched her throat and said, "Manager Liu, please calm down. It's that B * Tch, daybreak, who is still lazing in bed. If not, I would have come long ago."

Manager Liu obviously did not like the ordinary-looking Lan Xiang. He spat, "Stop trying to get close to me. Hurry up and start a fire!"

Lan Xiang was frustrated and vented her anger on Yun chujiu. "B * Tch, what are you still standing there for? Didn't you hear what manager Liu Said? Hurry up and start a fire!"

Yun chujiu saw that there were three stoves that were left unattended. It was probably the stoves that she and Lan Xiang were in charge of. She walked over and started the fire. This fellow could not help but laugh at himself. Could it be that she was the one who started the fire? Previously, she was the one who started the fire in the Ling Hua sect, but now, she was still the one who started the fire in the Gui Yuan sect!
