

## The Yun Family's Ninth Child is an Imp! Chapter 1582

Yun chujiu and Lan Xiang put the breakfast that Chu Hu needed into their storage rings and followed Chu Hu out of the canteen.

Lan Xiang kept scratching her head and trying to attract Chu Hu's attention, but Chu Hu ignored her. Instead, he kept sizing up Yun chujiu with an inquisitive gaze.

Yun chujiu thought to herself that this person was most likely the one who raped and killed the person at dawn. It would not be so easy to get her to deliver the breakfast. He would definitely think of a way to let her be alone with him. She had to think of a way to avoid him, although she could easily kill him, it would not be good if she attracted the suspicion of others.

Chu Hu brought the two of them to a guest house and said viciously, "You two wait here. Don't leave and don't look around casually. Otherwise, I won't forgive you."

Lan Xiang puffed out her chest and said confidently, "Senior brother Chu Hu, don't worry. We will wait for you obediently."

Yun chujiu slightly trembled and nodded without saying anything.

Chu Hu looked at Yun chujiu with a hint of lust and evil in his eyes. He sneered twice before entering the courtyard.

When Lan Xiang saw Chu Hu enter, her face immediately changed. “B \* Tch! When did you hook up with senior brother Chu Hu? I didn’t expect you to be able to seduce people with your ghost appearance!”

Yun Chujiu said in a low voice, “Sister Lan Xiang, Lower Your Voice. We can’t afford to disturb the guests.”

Lan Xiang glared at Yun Chujiu with hatred. As expected, she lowered her voice. “Tell me! How did you hook up with senior brother Chu Hu?”

“I, I didn’t seduce him. Maybe, maybe he likes women who wear veils,”Yun Chujiu said submissively.

Lan Xiang frowned. People who liked to wear veils? Senior Brother Chu Hu had such a hobby? Was it because of the mysterious feeling?

Lan Xiang reached out her hand and pulled the veil on Yun Chujiu’s face. After Yun Chujiu dodged it, she took out a new veil and handed it to Lan Xiang. “This one is dirty. Sister Lan Xiang, this one is for you.”

“You know your place!”Lan Xiang took the veil. She wanted to put it on directly, but she thought it was too deliberate. Maybe next time, so she put it away.

Seeing that Lan Xiang was no longer paying attention to her, Yun chujiu started to look at the surrounding environment. She was puzzled. Chu Hu's status was not low at first glance. Otherwise, manager Liu would not be so obsequious, she did not know what kind of guest lived in this guest house. He actually asked Chu Hu to deliver the food personally.

Lan Xiang and Yun Chujiu waited for a full hour before Chu Hu walked out and returned the cutlery to them. Then, he pointed at LAN Xiang and said, "You go back first. Come with me. I have something to talk to you about."

Although Yun Chujiu was not happy, she had no other choice but to follow Chu Hu. She thought to herself, "Damn it, I'll kill him if I have to!"

At this moment, someone in the courtyard shouted, "Master Chu Hu, My Protector, my master is looking for you."

Chu Hu stopped and said to Yun chujiu viciously, "Go and wait for me in that wasteland. If you don't go, I won't let you off."

After saying that, Chu Hu walked into the courtyard.

Lan Xiang said with jealousy and hatred, "Well done, Hooligan. You're really something. You actually hooked up with senior brother Chu Hu."

Yun chujiu shrank her neck in fear. "Sister Lan Xiang, yes, why don't you go instead of me? I'll go back to the cafeteria to prepare lunch."

Lan Xiang's eyes lit up, but she immediately scolded, "Senior Brother Chu Hu asked you to go, but he didn't ask me to go. Why should I go?!"

Yun chujiu timidly said, "Well, since sister Lan Xiang doesn't want to go, then... Then I'll go. I guess senior brother Chu Hu only thinks that I look mysterious wearing a veil."
