

## The Yun Family's Ninth Child is an Imp! Chapter 1588

"Dawn, what are you waiting for? Could it be that you don't want to see the young miss? HMPH! You ungrateful thing. If it wasn't for the young Miss'kindness, a slut like you would have been cut into a thousand pieces!"The maid did not know what kind of grudge she had with Dawn, her words were extremely humiliating.

Yun chujiu thought that she was listening to the barking of a dog and kept thinking of ways to escape. She definitely could not go to see Qin Mingzhu. After seeing her, there was a 99% chance that she would be exposed. If she was recognized by Qin Mingzhu, she would definitely kill her!

However, how could she escape?

Feign illness? Unless she was dead, this maid would definitely not let it go. How about she knock this little B \* TCH unconscious and activate the concealment talisman? No, this was too risky. The concealment talisman had no effect on people with spiritual venerable cultivation.

Just as Yun Chujiu was thinking of a way to escape, she heard the maid say with ill intentions, "Dawn, do you know why the young miss is looking for you?"

Yun chujiu shook her head. "I don't know."

The servant girl heard Yun Chujiu's rough voice, she could not help but twitch her lips. "Her voice is really unpleasant! You'd better stop talking! To tell you the truth, Miss is preparing to give you to the

new son-in-law. This is a great thing! You Don't have to return to this canteen anymore. After the engagement, you can follow the son-in-law!"

Yun Chujiu was stunned. This Qin Mingzhu was really crazy! Giving her fiancé a disfigured maid with a ruined voice? Yin Xuecheng would probably be so angry that he would vomit blood!

She did not know how this Dayao Offended Qin Mingzhu. According to Yin Xuecheng's temper, he would definitely kill Dayao when he saw Qin Mingzhu giving him such a maid.

The maid continued to say proudly, "Dayao, are you so happy that you're Stupid? Such a good thing shouldn't have happened to you, but who told you to be the most trusted servant girl of the young miss? If the young miss has something good, she would naturally think of you!"

Yun chujiu sneered in her heart. Something Good? It was likely that Qin Mingzhu wanted to torture this dawn properly. Instead of killing him all at once, she had to torture him in all sorts of ways. How Vicious!

Yun chujiu was frowning when she saw Chu Hu walking towards her. She suddenly had an idea. She raised her voice and said to the servant girl, "Young Miss, are you really going to give me to the son-in-law?"

"Humph! What? Are You a slut? Let's go. After meeting the young miss, you can go and serve the son-in-law tonight!"The servant girl said disdainfully, but there was a hint of jealousy in her words.

Yun chujiu felt that the servant girl's brain was probably not working. Could it be that she also wanted to serve Yin Xuecheng? Wasn't she afraid that the Little B \* tch, Qin Mingzhu, would do her? How Stupid!

Chu Hu clearly heard the conversation between the two of them, and his eyes revealed a malicious and cold light. "Zhu Shan, what did you say just now? Junior sister wants to give daybreak to Yin Xuecheng?"

When the servant girl, Zhu Shan, saw that it was Chu Hu, she said gently, "Senior Brother Chu Hu, you are right. The eldest miss wants to give this B \* tch to her son-in-law."

Chu Hu was indifferent to Zhu Shan's flattery and looked at Yun Chujiu. He saw that Yun Chujiu's eyes were no longer submissive, but full of provocation and contempt. Chu Hu was instantly angry!

"Zhu Shan, I have something to tell Xiaoxiao. I will explain it to junior sister! Xiaoxiao, come with me!" Chu Hu did not wait for Zhu Shan to react and dragged Yun chujiu away.

Zhu Shan stomped her feet angrily and had to go back to report to Qin Mingzhu.
