

The Yun Family's Ninth Child is an Imp! Chapter 1601

"Dharma Protector Zhao, you're really impatient! When Qin Yixiao and Yin Qinghua, those two old bastards, come, won't I be attacked from both sides? I'm not even in a hurry, why are you in such a hurry?" Yun chujiu curled her lips, she began to discuss with the secret guards.

Among those secret guards, there were a few who reacted quickly. They deliberately went against Yun chujiu to stall for time. "Little Fairy Jiu, although you saved our lives, we don't want to sacrifice ourselves for others."

"That's right. It wasn't easy for us to escape. We won't surrender just because of these mighty figures."

"That makes sense! We only have one life. Compared to our lives, nothing else is important! Little Ninth Fairy, we don't agree to surrender."

..

Yun chujiu pretended to be angry and said, "How can you people not see the big picture? If these mighty figures die, how can we fight against the Netherworld Hall?"

..

The two sides argued non-stop, and fifteen minutes passed very quickly, dharma Protector Zhao said with disdain, "You people are really cowardly. You people of the Tianyuan continent are not only greedy but also cowardly. You shouldn't have taken such good resources from the Tianyuan Continent."

Yun Chujiu raised her eyebrows. "Dharma Protector Zhao, from what you said, you people of the Netherworld continent are very brave, right? If I took you as a hostage, wouldn't you beg for mercy?"

"Humph! That's only natural. I would rather die than betray the Netherworld Palace! Cut the crap, what's your decision?" Dharma Protector Zhao said with his lips curled up.

"Our decision is naturally to have it both ways! We will not surrender, but we will also save the person!" Yun Chujiu said with a smile.

Dharma Protector Zhao could not help but laugh maniacally. "Yun Chujiu, are you talking in your sleep? Since you're so stubborn, someone come and chop off one of Di Linhan's arms!"

Di Linhan closed his eyes and thought to himself, what little jiu did was the right thing to do. It did not matter if he lost one of his arms, but if she were to surrender, then he would lose everything!

What he did not expect was that Di Linhan did not feel the blade coming down, but instead heard a few cries of surprise.

Di Linhan quickly opened his eyes to look and saw that Dharma Protector Zhao and the person who had been holding him were trapped by something. It seemed to be the mycelium of a mushroom?

After Xiao Mogu restrained Dharma Protector Zhao and the others, it retreated to Yun Chujiu's side and said, "Master, my spiritual power is not going to be able to hold on much longer. You have to end the battle quickly."

Yun chujiu immediately signaled for everyone to restrain the few people that they had captured. Yun chujiu used her knife to press on Dharma Protector Zhao's neck and said, "Dharma Protector Zhao, you were speaking righteously just now. I wonder if you are still stubborn now?"

Dharma Protector Zhao never would have dreamed that a moment ago, he was still threatening Yun chujiu. In the blink of an eye, he had become a hostage. How, How was this possible?

It was all this damn mushroom's doing. However, he was at the fifth level of the spiritual venerable realm. How could he be so easily captured by this unremarkable Xiao Mogu? Right, he seemed to have one foot pulled just now. Then, he fell into the trap. What was it that pulled his foot?

Seeing that Dharma Protector Zhao didn't say anything, Yun chujiu directly cut his back. Dharma Protector Zhao cried out in pain. Yun chujiu said fiercely, "Get your men to release the hostages, or I'll kill you!"

Dharma Protector Zhao's eyes flickered. "Yun Chujiu, you don't dare to kill me. I'm your only bargaining chip. If you kill me, you'll have nothing to rely on."
