

The Yun Family's Ninth Child is an Imp! Chapter 1608

"Damn it! Qiong Qi, you ugly freak! Look at your cowardly appearance! You Don't look like a tiger nor a dragon, you're just a fool! How can you be called a fierce beast when you're cowardly after saving you? I think you're just a fool!" Yun chujiu cursed while holding a stack of super grade explosive talismans in her hand.

Qin Mingzhu stood at the side and sneered. Yun chujiu was really courting death! Qiong Qi hated her to death, yet she still dared to scold Qiong Qi. Qiong Qi would definitely kill her before giving up.

Everyone had the same thoughts as Qin Mingzhu. Had Yun chujiu been provoked to the point of going crazy? It was already scary enough that Qiong Qi was not angry, yet you still provoked it. Wasn't this courting death?

No one expected that Qiong Qi actually stopped attacking. Its huge eyes looked at Yun Chujiu. "Little Ant, what do you want to say to me?"

Everyone was dumbfounded!

Was this Qiong Qi sick?

Just now, when Yun Chujiu was talking to it, it ignored Yun chujiu and attacked Yun chujiu instead. Yun chujiu blew it up and scolded it again. Instead, it wanted to listen to Yun Chujiu's words. Could it be that it liked to be abused?

Yun chujiu was not too surprised. It seemed that what was recorded in the ancient books was right. This qiong Qi liked evildoers. I have to cater to its interests.

“What do I want to say? I want to say that you are a brainless idiot! Your huge stature is simply wasted! Since you are a fierce beast, you should have the appearance of a fierce beast. What is the use of killing so many people? Can this reflect your identity as a fierce beast? You are a retard! You are a retard!” Yun chujiu scolded fiercely.

Qiong Qi was stunned by the scolding. His huge eyeballs rolled around. “Little Ant, isn’t killing people considered fierce? Is there anything worse than this?”

“You’re really stupid!” What’s so great about killing a person? Do you see what I’m holding in my hand? These talismans are so light when it comes to killing people. You’re an ancient beast, yet you have the same use as these talismans. Tell me, what’s the point of you being alive? You’re a waste!” Yun Chujiu’s small face was full of ridicule.

Yin Xuecheng saw that Qiong Qi’s behavior was somewhat abnormal. He was afraid that it would be fooled by Yun Chujiu, so he shouted loudly, “Sir Qiong Qi, don’t listen to that stupid girl’s nonsense! Hurry up and kill her!”

Qiong Qi was thinking about what Yun Chujiu said when he was interrupted by Yin Xuecheng’s shout. He directly slapped Yin Xuecheng to death with his claws!

When Yin Qingbo saw that his son was slapped to death, he was instantly enraged. “Qin Yixiao! You, you actually allowed your soul beast to kill Xuecheng. I’ll fight it out with you!”

Qin Yixiao’s heart was like a dog that was bickering. Your son was killed by Qiong Qi for no reason. Are you blaming me?

Fortunately, Yin Qinghua was still clear-headed. he shouted, “Second brother! With a great enemy in front of us, we should consider the overall situation!”

Yin Qingbo thought of the situation in front of him. Even if he went forward, he was still no match for Qin Yixiao. All he had to do was to grit his teeth and remain silent.

Yun Chujiu was secretly happy. Damn, this Qiong Qi was really awesome. Before anything happened, he had already helped me kill one. Moreover, he had even caused a rift between Qin Yixiao and the Yin family. This Qiong Qi was really not bad!

Qiong Qi did not care about Yin Xuecheng’s death at all. It asked Yun chujiu doubtfully, “Little Ant, then tell me, what kind of thing is worthy of my identity as a fierce beast?”

“Of course it is worthy of a world-shaking event! For example, you killed Tao tie, Tao Wu, and Hun Dun. You killed all three fierce beasts, so you are naturally the most powerful fierce beast!” Yun Chujiu said with a smile.
