

The Yun Family's Ninth Child is an Imp! Chapter 1613

The members of the Yin family were also furious. Yin Qinghua and Yin Qingbo's storage rings had also disappeared without a trace!

The elders of the Gui Yuan sect and the Yin family immediately began to blame each other. They all suspected that the other party had taken advantage of the chaos to take advantage of the ring and almost started a fight.

Then, where did the rings of the four of them go?

Cough cough, of course, they were taken away by Yun Chujiu, the Yanguo plucking the feathers! While others were fighting, this guy covered for Xiao Hei and took away Qin Yixiao and the others' rings. This guy was very confident. She had solved the disaster in the Tian Yuan continent, so it was reasonable for her to take away such a small reward.

This guy secretly looked at the things in the ring. He was so happy that he couldn't close his mouth. He was rich!

Qin Yixiao and Yin Qinghua were both suspicious people, so they naturally carried the good things with them. Therefore, there were naturally a lot of good things in the storage ring.

"Little Sister Jiu, what are you smiling about?" Xue Wuji asked curiously.

Yun chujju blinked her eyes. "I'm naturally happy that the crisis is over!"

Di beiming guessed correctly in his heart. Little Jiu must have gotten some good stuff again. However, what was up with that Zi Heng? An old acquaintance? Where did she get an old acquaintance from?

As the Tian Yuan Academy was about to start in a few days, Yun Chujju decided to return to Tian Yuan Academy directly. Although di beiming was reluctant, he could not stop her.

"Prince Charming, aunt sun and Zi Heng will temporarily return to the Hall of Immortals with you. Aunt Sun's pasta is not bad, you can let her go to the canteen. As for Zi Heng, you can make the arrangements! They have helped me a lot, you have to take care of them for me." Yun chujju said to Di beiming.

Di beiming nodded. "Little Jiu, the spies in the Hall of the Netherworld have made some progress. We should be able to get the portraits of Sheng NV and the man in a while. I'll come and look for You Then."

Yun chujju said in surprise, "Really? That's great! I think there's a high chance that they are my adoptive parents. After we confirm them, we can discuss how to save them."

..

The two of them chatted for a while more before parting.

Xue Wuji jumped over. "Little Sister Jiu, I'll escort you back to Tian Yuan Academy."

Yun chujia looked at him suspiciously. "Brother Wuji, why do I feel that your drunken intentions aren't in the wine? What Danger Can I face if I go back with Dean Huangfu and the others?"

Xue Wuji's eyes flickered and revealed an aggrieved expression. "Little Sister Jiu, how can you misunderstand my good intentions? You've really made brother too sad!"

"Alright, it's My Fault! Let's Go! Let's Go!" Yun chujia curled her lips. Wu Ji must be hiding something from me. However, since he didn't say anything, I couldn't be bothered to ask. After all, he wouldn't harm me.

A few days later, everyone returned to the Tian Yuan Academy.

Xue Wuji strolled around the Tian Yuan Academy for a while before using the bait to leave. Yun chujia curled her lips and ignored him.

Xue Wuji brought Secret Protector Hua Hua to the mansion in Void City. Several secret guards appeared and knelt on the ground.

Xue Wuji gritted his teeth and asked, "Still no news of that woman? She hasn't come back either?"

"Young master, we've searched almost all of Void City, but there's still no news of that woman. We've also searched the surrounding cities, but there's still no trace of her."

"A bunch of trash! Where can a person without spiritual power run to? Keep looking! If you still can't find her within half a year, you don't have to come back to see me!" Xue Wuji said in exasperation.
