

The Yun Family's Ninth Child is an Imp! Chapter 1630

Jin Zhi looked in the direction the girl was pointing and saw the poor girl picking out ready-made clothes. She gritted her teeth and said, "Let's go and take a look!"

Qing lan gently advised, "Jin Zhi, why bother with a poor girl who can't stand up to the public? Let's go somewhere else."

Jin Zhi coldly snorted, "Qing Lan, I can't take this lying down. I must find my way back."

Qing Lan tried to persuade her, but seeing Jin Zhi insist, she could only follow her to Jin Xiu Xuan.

A round-faced waiter of Jin Xiu Xuan was introducing a ready-made dress to Yun Chujiu. "Miss, this misty hibiscus dress is not only exquisite in material, but also has a certain defensive function. You will definitely look very beautiful in it."

Yun chujiu nodded slightly. "It looks good. Wrap it up!"

The round-faced waiter was about to say something when he heard Jin Zhi say disdainfully, "Beautiful and moving? No matter how well-dressed this ugly person is, she's still ugly! Besides, can you afford it?"

Another fat waiter in the shop quickly came over and said, "Ladies, do you want to buy clothes? Please follow me. I'll introduce you to them."

Jin Zhi snorted coldly. "No need for introductions. I want this misty hibiscus dress!"

The round-faced man hurriedly said, "Miss, this misty hibiscus dress has already been bought by this miss. Please choose another one."

Jin Zhi snorted coldly. "Bought? Didn't she not pay the money? What's the point of buying if she didn't pay the money? I'll give you double the price. Wrap this dress up for me."

The round-faced man was in a difficult position. The Fat Man pushed the round-faced man aside and said with a flattering face, "Of course, the one with the highest price will get it. Miss, please follow me to pay the money."

Jin Zhi arrogantly followed the Fat Man to pay the money, she took the wrapped clothes and said arrogantly, "If you don't have money, don't pretend to be fat. You bought a lot of Rouge and powder, but you don't have money to buy clothes. How Pitiful!" "I'm kind enough to tell you that there are a few shops in the north of the city that sell worthless junk. You can go there to buy one."

Yun chujiu still ignored her and said to the round-faced man, "That purple one is not bad. Wrap that one up for me!"

The round-faced man felt a little guilty because of what happened just now. When he saw Yun chujiu say that, he immediately said, "Miss, wait a moment. I'll wrap it up for you right now."

"Wait! I want this one too. Double the price!" Jin Zhi said arrogantly.

The fat guy immediately said obsequiously, "Okay! I'll wrap it for you."

The round-faced guy was obviously bullied by the fat guy. The Fat Guy pushed him away and wrapped the purple dress that Yun Chujiu pointed at for Jin Zhi.

Jin Zhi had just paid the money when she heard Yun chujiu say, "Buddy, wrap that lake blue dress for me."

"I want that one too! Double the price!"

"Buddy, wrap up that tender yellow one for me."

"I want it! Double It!"

“Buddy, wrap up that crimson one for me.”

“I want it! Double It!”

..

Yun chujiu pointed at a piece of Jin Zhi and bought it for double the price. At first, Qing Lan and the others were excited to see Yun Chujiu make a fool of herself, but they realized that the matter had blown up!

Jin Zhi bought a total of 40 to 50 pieces of clothes in one go, and she even bought them for double the price. This was not a small amount.

Yun chujiu sighed, “Since the good-looking ones have been bought by others, I can only not buy them. However, some people won’t just be generous in words, but in fact, they can’t afford it, right?”
