

The Yun Family's Ninth Child is an Imp! Chapter 1635

As soon as the maid finished speaking, the girls exploded!

“What? Didn’t the test not start yet? How did the test results come out already?”

“Could it be that it was all pre-determined? Are you playing with us?”

“We are not convinced! There is actually a conspiracy behind the selection of Sheng NV. This is too much!”

..

The middle-aged female steward snorted coldly, “The first round of the test is to test your temperament. As a saintess, the most important thing is that you have a calm temperament. You Don’t care about the good things and don’t care about the bad things. Sheng NV. “Look at you just now. It was only four hours, but you were so anxious that you were like ants on a hot pot. How can you become Saintesses with your temperament?”

Some young girls said unwillingly, “That’s not fair! We didn’t even know that the test had begun. If we knew, we wouldn’t be anxious even if it was ten hours, let alone four hours.”

“Yeah, it’s not strange if we didn’t know. We didn’t even know that the test had started!”

“Yeah, give us another chance!”

..

The middle-aged female manager snorted coldly, “As a SAINTESS, you have to remember your identity as a Saintess at all times. How could you inform Sheng NV in advance?”? Moreover, there were countless unexpected situations that the SAINTESS encountered. would there be a chance to do it all over again? “There’s no need to say more. All of you have been eliminated. Leave quickly, or I’ll have the guards kick you out.”

Those young girls did not dare to say anything more and left with desolate expressions.

Yun chujiu cursed in her heart. Bah! What BULLSH * t attitude. This was to keep those who were obedient and eliminate those who were disobedient. They had to choose a puppet.

The middle-aged female manager glanced at the remaining twenty people, leng Ning said, “From now on, you will call me Zhao Mama. From now on, I will train all of you together. The assessment will take place in ten days. Those who pass will enter the second round of the assessment. The rest will be eliminated.”

Yun Chujiu was stunned. They were going to train and then take the assessment? What was going on?

Zhao mama continued, "You will be divided into five groups. Four people will form a group. The test in ten days will be conducted in groups. Only one group will pass the test. "Therefore, grouping is very important to you. You can choose freely. If you still haven't decided after fifteen minutes, I will randomly divide you into groups."

Hearing this, the girls quickly started to look for companions. Naturally, girls with high spiritual power and good family backgrounds were in demand. Perhaps the second round of the test was to test spiritual power, so it would be easier for people with high spiritual power to pass the test.

Most of the people here were around the third level of the spiritual saint realm. Yun chujiu disguised herself as someone at the eighth level of the spiritual sect, so it was naturally not enough. Therefore, no one chose her at all.

Yun Chujiu was not in a hurry. In any case, there would always be three people left among the twenty people who were in the same group as her, so she just had to wait.

Fifteen minutes later, four groups had been formed freely. They looked like they were laughing and laughing. There were only four people left, and one of them was Yun chujiu.

Zhao Mama pointed at the remaining four people. “Mo Wanwan, Lin Chuchu, Lu Qin, and Zhou Yinghan, you four are in a group!”

Yun Chujiu looked at the other three pitiful people who shared the same fate. As expected, they all had low spiritual power, and their family backgrounds were probably not that great. Otherwise, they would not have been left behind.

The five groups were named after metal, wood, water, fire, and earth. Yun Chujiu’s group was sadly named the “Group of Earth.”.

After Zhao Mama explained the rules, she said to the two maids beside her, “Rushuang, Ruyi, take them to the dormitory.”
