

The Yun Family's Ninth Child is an Imp! Chapter 1664

Jin Zhi was gnashing her teeth while Yun Chujiu had already put a few big pots of food into her storage ring. Then, she hopped back to her dormitory.

“Chuchu, tell us the truth. Why did you take so long to use your sword technique? And why didn't you do anything for a long time? You scared us to death!” After dinner, Mo Wanwan came to Yun Chujiu's side and asked curiously.

Yun chujiu giggled. “Because I was thinking about the moves of the netherworld swordsmanship. I haven't practiced it before, so how could I be fast? !”

Mo Wanwan and the other two felt that this answer was both unexpected and expected. They had to admit that Chuchu was really a pervert. She had actually learned it just by looking at it. If she was a little more diligent and practiced it a few more times., she would definitely be more outstanding than Jin Zhi.

However, the three of them looked at Yun Chujiu who was lying on the bed reading a script. It seemed that the script in her heart was much more important than practicing her swordsmanship. What a Weirdo!

The Little Black Bird in the spiritual beast bag also asked curiously, “Master, why are you doing this? I don't believe that you can't play fast!”

“Xiao Hei, your master, I, AM really outstanding and intelligent. If I play well once, those people will definitely discover my talent. This is not good. I have to hide it until the end,”Yun Chujiu said smugly.

Xiao Heiniaio rolled his eyes. The last few words were obviously useful, but this black-hearted master insisted on adding a line of self-bragging. This narcissism was really out of this world.

“Master, then why did you torture that you chi? Did he offend you?”

“He didn’t offend me, but when I saw the guards of the Netherworld Palace, I got angry. Moreover, have you heard of torturing relationships? “The more I torture him like this, the more he will be grateful when I give him some benefits in the future. He might even be my helper in the future.”

Sadomasochism?

Master, do you think that if the pretty boy heard you say that, he would smash all the doors in your house?

The next day, everyone had breakfast and gathered in the courtyard.

“Today and tomorrow morning, your guards will continue to teach you sword techniques. This time, the sword technique is the azure falling sword technique. Study hard and take the test tomorrow afternoon,” Zheng Mama said briefly and then left the courtyard.

As they had already been together for two days, the girls were already very familiar with their respective guards, so they immediately began to practice. The atmosphere was very good with laughter and laughter.

Yun chujiu pursed her lips. It seemed that her guess was right. That Old Bastard, Vice Palace Master Liu, had become a pervert after being provoked. If a girl was tempted, she would definitely be eliminated.

You Chi did not sleep well last night. He felt that this Lin Chujiu would definitely torture him in a variety of ways today.

When you chi saw Yun Chujiu take out the chair, he could not help but stagger. His suffering was about to begin again. Oh God, what sin have I committed that you want to punish me like this?

Yun chujiu crossed her legs, she said with a smile, “You Chi, I originally thought that you would resent me for torturing you. I didn’t expect you to actually let me pass. It seems that I have judged a gentleman with the heart of a villain! Since that’s the case, I don’t have any worries anymore. Let’s begin. Play it a hundred and eighty times for me to appreciate.”

You Chi was so angry that his head was buzzing. Shameless! Truly too shameless! You were clearly the one who used words to force us to let you pass, yet you still said that. You were just trying to be nice!
