

## The Yun Family's Ninth Child is an Imp! Chapter 1684

Zheng Mama led everyone out of the courtyard. After walking for nearly an hour, they finally arrived at a public square.

There were already dozens of people waiting in the public square. Yun chujiu immediately saw Vice Palace Master Liu sitting on the main seat. She thought that it made sense. The importance of the last three candidates was self-evident. This old bastard naturally had to personally supervise the formation.

However, she did not know what the third round of the test would be about?

After everyone greeted Vice Palace Master Liu, Vice Palace Master Liu made some polite remarks. It was nothing more than asking everyone to perform well, and then he announced that the test could begin.

Just as Zheng Mama was about to announce the content of the test, she saw a guard hurriedly walk to Vice Palace Master Liu's side and whisper a few words. Vice Palace Master Liu's expression changed drastically. "The test will be postponed. It will be held in three days!"

After Vice Palace Master Liu finished speaking, he immediately followed the guard and left.

Yun chujiu cursed in her heart. What the F \* ck was this old bastard doing? She would have to waste another three days. She only had a total of five disguise pills. This delay would make things difficult if the deadline was exceeded.

Zheng Mama had no choice but to bring everyone back to the courtyard. She couldn't just do nothing for the next three days, so she said, "Later, I will ask Tingmei and the others to bring the rules of the Hall of the Netherworld to you. All of you recite them diligently. The Day After Tomorrow, I will assess all of you. Those who fail will not have to participate in the third round of the test."

After everyone nodded in agreement, Zheng Mama left.

An hour later, Tingmei took out several copies of the rules of the Hall of the Netherworld and was ready to distribute them to everyone.

There were very few copies of the hall rules of the Netherworld Palace, and Mei was in a hurry to get them. It was not easy for the people in the miscellaneous department to gather twenty copies of the hall rules, and one of them was even placed at the corner of the table. Not only was the outer cover of the book dirty, it was also dirty.

Naturally, the young ladies were not willing to take the damaged hall rules. In the end, the damaged hall rules ended up in Yun Chujiu's hands.

Yun Chujiu did not mind. This broken thing, I can memorize it after flipping through it once. So Be it!

After listening to Mei's instructions, she told everyone not to break the palace rules. They would have to return it in the future. After everyone nodded, they took the palace rules back to their dormitories to recite.

Mo Wanwan and the other two wanted to exchange the broken palace rules with Yun Chujiu. Yun chujiu giggled. "No, no. My book is so good. Even if it's broken or dirty, no one will pursue it."

Mo Wanwan and the other two saw that Yun chujiu did not care, so they did not insist and started to memorize the palace rules.

Yun chujiu lay on the bed and flipped through the palace rules of the Netherworld Palace. Then, she threw it aside and took out a script to read.

"Chuchu, at this time, you still want to read the script? Hurry up and recite the palace rules!" Mo Wanwan said fiercely.

"That's right, Chuchu. No one can help you by reciting the palace rules. No matter how smart you are, you don't have any tricks up your sleeve. Hurry up and recite it. You've passed all the difficulties ahead. Don't let your efforts go to waste." Lu Qin also advised.

Zhou Yinghan was even more direct. She simply confiscated the script from Yun Chujiu's hands and then stuffed the broken palace rules into Yun Chujiu's hands. "When you've memorized it, you can read the script!"

Yun Chujiu's heart was filled with tears. F \* ck, being too popular was also a burden! This fellow did not want to expose his photographic memory, so he could only sadly pick up the palace rules to hypnotize her. Not long after, she fell asleep and drooled on the palace rules.

This time, Yun Chujiu slept until noon. She stretched her body and was about to get up for lunch. When she accidentally caught a glimpse of the broken palace rules, she was stunned..
