

The Yun Family's Ninth Child is an Imp! Chapter 1710

If an ordinary girl were to encounter such a situation, she would definitely feel embarrassed and embarrassed. She could only maintain her bow posture and wait for the Saintess to let her stand up. However, the SAINTESS was not an ordinary person. However, Yun Chujiu was never an ordinary person. She blinked her eyes and said with a smile, "Thank you, SAINTESS, for giving me a seat."

After saying that, Yun chujiu directly sat on the chair next to Sheng NV and looked at the Saintess as if nothing had happened.

Sheng NV's face was stiff. Apparently, she had never met such a thick-skinned person. She was stunned for a moment.

Seeing this, yi mama shouted angrily, "Miss Chujiu, Sheng nv didn't ask you to stand up. Not only did you stand up, but you also sat down. What crime should you commit?"

Yun chujiu looked at Yi mama doubtfully, "Didn't Sheng nv say that there would be no gift of a seat? Did I hear wrong? Sheng NV is such a kind person, why would he make me kneel for so long? Yi Mama, you are slandering Sheng NV's image by saying that!"

Yi Mama choked and didn't know what to say. The saintess coughed and said, "Lin Chujiu, I heard that you just left the Saintess Palace. What's the matter? Who Did you see?"

“Reporting to the SAINTESS, the people from Sheng NV came to measure me. They said they wanted to make a few sets of palace clothes,”yun chujiu said calmly.

“Oh? It’s just a measure? You haven’t seen anyone else?”The SAINTESS asked with slight sarcasm.

“And that Zheng Mama, she was the one who led me to see the people from the Brocade Garden.”

“Oh? What did she say to you?”

“She said a lot of things! Things like making me learn from you, Sheng NV, and things like not making Sheng nv angry.”Yun Chujiu said with a smile.

Sheng nv knew that Yun chujiu was talking nonsense, but seeing that Yun chujiu did not hold back and did not say anything, she did not ask further. She changed the topic, “Lin Chujiu, I heard that you are an orphan girl?”

Yun Chujiu’s eyes reddened, tears fell from her eyes. “Yes, I am an orphan. It is because I do not have parents that I am bullied all day long. I am called a good-for-nothing. I am called a wild child without parents! Wu Wu, I am really miserable! Father, mother! Why did you leave me alone?”

The More Yun Chujiu spoke, the sadder she became. The saintess thought of her adopted daughter whom she had not seen for many years, and her eyes could not help but Redden. She had originally planned to make things difficult for Yun Chujiu, but now she was not in the mood, she waved her hand and said, "I still have something to do. You can go back First!"

Yun chujiu saw the red rims of the Saintess' eyes. For a moment, she wanted to explain the truth, but she held it back. If she could not bear it, she would mess up the big plan. Now was not the right time, so she still could not say it.

Yun chujiu walked out of the main hall of the Saintess Palace and hopped toward the dormitory. When she walked to a bush, Yun chujiu blinked her eyes, suddenly, she shouted at the bush, "The people you are hiding, come out or I will set fire to them!"

Five people walked out of the bush. Yun chujiu saw them and smiled. She waved at them warmly, "You Chi! Why did you come to the saintly Virgin Palace?"

The guards were speechless. They had hidden themselves well, but why did Lin Chujiu find them?

You Chi and the others saw Yun chujiu greeting them so warmly, so they had no choice but to reply, "Greetings, Miss Chujiu."

Yun Chujiu asked with a smile, "You were sent to the saintly Virgin Palace as secret guards?"

You Chi and the others nodded, and you chi asked, “Miss Chujiu, how did you discover us? Our hiding place is very secretive!”
