

## The Yun Family's Ninth Child is an Imp! Chapter 1721

Sheng NV was stunned. Even in her dreams, she never thought that Yun Chujiu would say such a thing. She couldn't react for a moment.

"You, is what you said true?" Sheng nv still couldn't believe it.

"Of course it's true. It's more real than a pearl! "Why did I find those secret guards to play with? I just wanted to get familiar with their defenses so that we can do anything to avoid them. "Besides, Vice Palace Master Liu will definitely think that I'm playful and won't have any thoughts. That way, he won't suspect me!" Yun Chujiu said with a smile.

Sheng nv was even more shocked. She didn't expect this little girl to look for those secret guards to play with her. She actually had a motive. This little girl's thoughts were really too deep.

Sheng nv didn't say anything for a long time. Yun chujiu didn't urge her either. After all, this was a matter of life and death. It was impossible for her to believe it with just a few words.

"Lin Chuchu, although what you said seems reasonable, I still can't Believe You," Sheng NV said lightly.

"Of course, I understand. You Can't have the intention to harm others, but you can't be careless! I will do a few beautiful things to make you believe me!"

“Beautiful Things? What do you plan to do?” Sheng nv asked in confusion.

Yun chujiu smiled mysteriously, “This is a secret for now, but you have to cooperate with me! You have to pretend to be closer to me in the next few days, so that I can do things easily.”

Sheng nv pondered for a moment, “Okay, I’ll give you five days. If you don’t do your so-called beautiful things, I’ll take it as all your lies.”

“No Problem! Sheng NV, just wait and see! I’ll definitely do a top-notch beautiful task for you!” Yun chujiu said confidently.

For the next three days, Yun Chujiu would come to Sheng NV’s place for lunch every day. Then, she would accompany Sheng NV to stroll around the garden, drinking tea and eating snacks.

On the fourth day, Yun Chujiu took out nanny Zheng’s voice transmission talisman and revealed a sly smile. “Zheng Mama, I want to see Vice Palace Master Liu. I have something important to report to him.”

Zheng Mama quickly agreed. Yun chujiu thought to herself, ‘spy-within-a-spy is quite fun!’! If it weren’t for the fact that Jin Zhi’s father hadn’t given her a straightforward answer, she would have directly

introduced herself to her beautiful mother. Now it seemed that she would have to deal with her for a while. Moreover, there was still one more thing that she had to settle first.

Sure enough, that afternoon, Zheng Mama found an excuse to call Yun chujiu out from the saintly Virgin Palace.

Yun chujiu followed Zheng Mama to the courtyard where they had met the last time and saw Vice Palace Master Liu.

Vice Palace Master Liu's attitude was very gentle. "Miss Chuchu, I've heard about your recent performance. I didn't expect you to gain the Saintess' favor so quickly. What do you want to report to me this time?" Sheng nv asked

"Vice Palace Master Liu, I've gained the Saintess' trust according to the original plan, but she's still wary of me. So I have to do a few things to make her trust me completely!" Sheng NV said! "However, things that can make her happy will definitely hurt your interests, so I can only ask for your permission." Yun chujiu said with some difficulty.

"What you said makes sense. If you don't have enough sincerity, that slut won't believe you. What do you want to Do? "As long as it's not a particularly difficult thing to do, I will agree to it." Vice Palace Master Liu agreed very straightforwardly, he hadn't been able to make any progress over the years, and now that he finally saw a glimmer of hope, he naturally wouldn't let go of such a good opportunity.
