

The Yun Family's Ninth Child is an Imp! Chapter 1722

"If I'm not wrong, you must be one of the people that the SAINTESS thinks she trusts. Tell me who it is, and I'll think of a way to find out who it is. By then, the SAINTESS will have a lot more trust in me," said Sheng NV. "If you do that, you'll lose one of your chess pieces. I wonder if you're willing to part with it?" Yun chujiu seemed to be in a difficult position.

"This..." vice palace master Liu was indeed a little hesitant. Although most of the people from the Netherworld Palace and the saintly Virgin Palace were under his control, the saintly Virgin Palace still had some people from the saintly Virgin Palace. These people were highly trusted and valued by the saintly virgin palace. As a matter of fact, the saintly Virgin Palace still had some people from the saintly Virgin Palace, such as Sheng NV and Sheng NV.

Vice Palace Master Liu also spent a lot of effort to persuade one of them to surrender. Originally, he intended to let that person find out the mnemonic chant, but unfortunately, Sheng nv was very cautious. That person had not made any progress. Vice Palace Master Liu told that person to stay put and report the major and minor matters around the Saintess at any time. Vice Palace Master Liu would be able to know the movements of the Saintess at any time.

It was also because of that person's report that Vice Palace Master Liu completely dispelled his suspicion of Yun Chujiu. That person could be said to be very important. It was a pity to abandon him just like that.

Seeing that Vice Palace Master Liu was hesitant, Yun chujiu did not urge him. She waited quietly. She was completely confident that vice palace master Liu would agree because he really wanted to get the mnemonic chant!

Sure enough, after a moment.., vice Palace master Liu said, “Alright, I’ll tell you about that person. Miss Chujiu, this is an extremely important chess piece of mine. Now, in order to get you to gain the trust of that B * Tch, I’ve given it up. You must not disappoint me. Otherwise, it won’t be as simple as abolishing your successor as the SAINTESS.”

Yun chujiu naturally knew that vice palace master Liu was threatening her, she said confidently, “Vice Palace Master Liu, don’t worry. As long as I find a way to find that person, the Saintess will definitely believe in me. Who knows, I might be able to get other secrets besides the chant to summon the Netherworld Shrine!” After all, the Netherworld shrine has existed for tens of thousands of years!”

Vice Palace Master Liu’s eyes lit up. What Lin Chuchu said made sense. The Netherworld shrine might have some big secrets. It would be great if he could find out!

Vice Palace Master Liu said with satisfaction, “Miss Chuchu is indeed very smart. The spy I planted in the saintly Virgin Palace is...”

Yun chujiu looked surprised. “It’s her?”? Vice Palace Master Liu, how did you do it? You are too amazing! I really didn’t expect it! If you hadn’t told me, I wouldn’t have believed it even if you beat me to death! “She is very protective of the SAINTESS. If it weren’t for her interference, I would have gotten close to the SAINTESS a long time ago,”said Sheng NV

Vice Palace Master Liu looked pleased with himself. “This is what makes her so brilliant. If it weren’t for this, how could she hide for so many years without being discovered? “If it weren’t for you gaining the trust of that B * Tch, I would never have made a move on this chess piece.”

“Vice Palace Master Liu, there’s something I don’t know if I should say.”

“Oh? Say It!”Vice Palace Master Liu looked at Yun Chujiu in confusion.

“Vice Palace Master Liu, let me make it clear first. I’m just making irresponsible guesses. Please Don’t blame me!” The reason why that person didn’t make any progress for so many years was, firstly, that the SAINTESS was indeed more cautious. Secondly, that person was probably coveting his current position.

After all, even if you get rid of the Sheng NV, her position in the future would not be better than now. Therefore, she kept delaying. As long as the Sheng nv did not die, she would be able to maintain the status quo. This was also why she knew that I was your man, “Why are you still making things difficult for me?”Yun Chujiu said with a cold smile.
