

The Yun Family's Ninth Child is an Imp! Chapter 1725

Yi Mama's footsteps could not help but slow down, then, she heard the Saintess' cold voice, "Yi Mama has followed me for many years and has always been loyal. She will never betray me. Lin Chuchu, if you still won't let go of Yi Mama, you can go back!" Sheng nv's voice was cold

When Yi Mama heard this, the corner of her mouth revealed a proud smile. Then, she turned around and left.

Yun chujiu ran to the door and looked out from the crack. Seeing that Yi Mama had already gone far away, she jumped back to Sheng NV.

Sheng nv looked at Yun chujiu with a dumbfounded face, wondering what this Lin Chujiu was doing? Why did she look a little abnormal?

"Sheng NV, what I said just now is true!" "I once overheard Vice Palace Master Liu and Zheng Mama's conversation and vaguely heard that there was a chess piece placed by your side. I think that that Yi Mama is the most suspicious!" Yun Chujiu said mysteriously.

"Nonsense! When I was young, Yi Mama had been serving me, not to mention that she had protected me many times!" Sheng nv said unhappily.

Yun chujiu took out a small stool and sat next to Sheng NV's seat. She continued, "Sheng NV, what I said is based on evidence! Think about it. She is like a follower all day long. She wants to be by your side all

the time. Don't you think that she is spying on you? "Think about it again. Is there anything that only you and she know, and Vice Palace Master Liu has exposed it?"

Sheng NV was stunned. She recalled some things. People were like that. If they didn't expose it, nothing could be seen. However, once they became suspicious, many details that they didn't pay attention to became flaws. The more she thought about it, the more suspicious it became.

"Is there a lot of suspicious things about that Yi Mama?" Yun chujiu saw the change in Sheng NV's expression and had an idea. It seemed that this Yi Mama had given herself away in the past, however, the beautiful mother did not pay attention to it.

"Maybe it's just a coincidence. There's no reason for Yi Mama to betray me." Although Sheng nv was already suspicious, she still did not want to believe it.

"Sheng NV, once or twice is a coincidence, but this time it's not a coincidence! As for the reasons for betrayal, there are many. For example, threats, bribing, or maybe she has a lover, Hehe."

Sheng NV's thoughts were immediately taken out of the play by Yun Chujiu's vulgar laughter, the corner of her eyes twitched. "Although there are some suspicious points, we can't convict her based on mere suspicion. I will interrogate her, so you don't have to care."

“Sheng NV, interrogating is so troublesome. I have a good way to make her reveal herself. I guarantee that it will be done cleanly and beautifully!” Yun Chujiu said with a smile.

“What Way?”

“You just have to cooperate with me. In less than five days, this old pious woman will definitely reveal herself!” Yun chujiu said confidently.

Sheng nv frowned and thought for a while. “Okay, I will cooperate with you. However, if you can’t prove that Yi Mama is under Vice Palace Master Liu within five days, then don’t come to see me in the future.”

Yun chujiu said confidently, “No problem! As long as you cooperate with me, I will definitely make that old fox reveal its true form.”

The two of them had finished their discussion and chatted for a while. After lunch, Yun chujiu accompanied the saintess to admire the flowers in the garden. After that, the SAINTESS and the Sheng NV went to the garden. There were a few times when Yi Mama wanted to speak, but she was interrupted by Yun Chujiu. Yi Mama gritted her teeth. She originally thought that Lin Chujiu was just a gluttonous little girl who liked to play, but she didn’t expect that she would be so difficult to deal with, wasn’t she also one of Vice Palace Master Liu’s people? Why would she target her? What exactly was she planning?
