

## The Yun Family's Ninth Child is an Imp! Chapter 1728

"Oh, so you're not feeling well! Since you're not feeling well, don't just stand there. If you infect me and the Sheng NV, we'll be in trouble!" Yun Chujiu said disdainfully.

Yi Mama's hands clenched together in her sleeves as she looked at the Sheng NV. She thought that the Sheng nv would definitely greet her with some concern, unexpectedly, the Sheng nv only said indifferently, "What Chuchu said makes sense. Since you're not feeling well, you should take the initiative to ask. If you infect Chuchu, it won't be good. Go Down!"

A trace of malice flashed across Yi Mama's eyes. She tried her best to suppress the dissatisfaction in her heart. "Yes, I will take my leave."

After Yi Mama left, Sheng nv frowned. "Lin Chuchu, did we wrongly accuse Yi Mama?"

"Sheng NV, you should call me Chuchu. How Strange it is to call me by my first and last name! Didn't you call me very affectionately just now? As for whether I was wrongly accused or not, we will know very soon." Yun Chujiu said with a smile.

Sheng nv sighed silently. Although she had found many suspicious points, she still did not want to believe that Yi Mama would betray her. If even Yi Mama could not be trusted, who could be trusted?

For a few days in a row, Yun Chujiu came to Sheng NV's place to freeload. She stayed with Sheng nv every day, and Sheng nv was often amused by her laughter.

On the contrary, the Sheng NV's attitude towards Yi Mama became colder and colder. She didn't even talk much.

This morning, Yun Chujiu didn't come to the Sheng nv for free meals like she did a few days ago. She only came in the afternoon. However, she looked very lonely and her eyes were a little red.

"Chuchu, what happened? Did Someone Bully You? Tell me, I will make the decision for you," the Sheng nv asked with concern.

Yun chujiu burst into tears. "Sheng NV, I am leaving you!" Vice Palace Master Liu gave me two days to obtain the chant to summon the Netherworld Shrine. If not, he would kick me out of the Netherworld Shrine. He might even kill me in secret! "Sheng NV, I don't want to Die!"

Sheng nv frowned and sighed. "Chuchu, I don't want you to die either. But the chant to summon the Netherworld shrine is extraordinary. I Can't teach it to you."

"I, I know. How could I put you in danger for my own safety? ! I'll just die. I've been happy these days anyway. I'm content!" Yun Chujiu said with a strong voice.

The SAINTESS and Yun Chujiu didn't speak for a long time. Yi Mama couldn't help but gloat in her heart. She deserved it! Lin Chuchu was finally going to jump to the end! When Lin Chuchu was driven out, the SAINTESS would value her again. In the Saintess Palace, she was still the second most powerful person.

Suddenly, the SAINTESS sighed. "Chuchu, you always have the most evil ideas. Don't you have any flexible ideas? I really can't bear to part with you."

Yun chujiu touched her chin and thought for a while. Then, she slapped her thigh. "SAINTESS, can anyone use that chant to summon the Netherworld Shrine?"

"This, this has never been tried before. I don't know if everyone can successfully summon it."

Yun Chujiu's eyes lit up. "That's Easy! Why Don't you tell me the chant, and I'll modify it a few times before handing it over to Vice Palace Master Liu?".

"If that old B \* Stard Vice Palace Master Liu Doesn't believe me, I'll show him once. Then, I'll use the real chant to summon the Netherworld shrine. If he can't summon it..." "I'll say that only those who are acknowledged by the Netherworld Spirit will be able to succeed.

"In that case, Vice Palace Master Liu will definitely find someone else to test it out. Then, we'll be able to stall for some time. Who knows, we might be able to think of another way!"
