

The Yun Family's Ninth Child is an Imp! Chapter 1749

Yun chujiu could not help but stomp her feet. This pretty boy was really disobedient. Why did he come all of a sudden? !

However, this guy's heart was filled with sweetness. For a pretty boy to come here despite the danger, he must be worried about her safety.

The saintess saw that Yun Chujiu's expression was strange, so she asked, "Xiao Jiu, who sent the Sheng NV? What Happened?"

Yun Chujiu's thick-skinned face turned red for a rare moment. "Your son-in-law is here. He will arrive at the river of forgetfulness city tomorrow. This pretty boy is really disobedient!"

The SAINTESS was stunned at first, then said coldly, "That's not bad. It would be a problem if he didn't come!"

The saintess paused for a moment and then said, "Sheng NV, although you two like each other, the name of this pretty boy is really unsightly. Don't call him that in the outside world in the future."

Yun chujiu stuck out her tongue. "Mom, I know! Although your son-in-law's spiritual power is limited, it should still be quite powerful. We have a greater chance of winning."

Sheng nv nodded and became excited. After so many years of suffering, they finally saw the light of dawn!

Yun Chujiu's voice transmission talisman vibrated again. This time, it was Jin Zhi's voice transmission talisman.

After Yun chujiu sent her spiritual sense into it, she could not help but be overjoyed. "Mother, the Jin family has agreed to cooperate!"

The SAINTESS was also overjoyed. "If that's the case, there's no time to lose. Let's start moving!" Sheng NV said

When Yun Chujiu and Jin Zhi agreed to meet three days later, the Jin family's secret guards surrounded the Netherworld Palace. At the same time, the secret guards of the Temple of Immortals entered the Saintess Palace through a secret passage and cooperated with the Jin family.

"Mother, I have one more thing to do."

The SAINTESS asked in confusion, "What is it?" Sheng nv asked

“I have been baiting for so many days, it is naturally time to reel in the net!” Yun Chujiu’s eyes flashed with a trace of craftiness.

The saintess vaguely guessed that Yun chujiu was going to incite the secret guards to betray Sheng NV, so she instructed, “Those secret guards are a mix of fish and dragons, you must be careful.”

“Mother, don’t worry! I’m the best at doing this kind of thing, I guarantee that nothing will go wrong.” Yun Chujiu said and jumped out of the main hall.

Yun chujiu quickly found you chi and the other five, “Do you have any dreams?”

You Chi and the other five were dumbfounded. What kind of dreams do we have? What kind of madness did Miss Chuchu have today?

“Miss Chuchu, we cultivators naturally want to have a higher level of spirit energy. Besides that, it’s not bad to be promoted and get rich, because with money, we can better support our cultivation.”

“Miss Chuchu, Hehe, my dream is to marry a wife. It’s a pity that I like her, but she doesn’t like me! Who asked me to be a mere guard?”

..

Yun chujiu could not help but be secretly happy. This you Qi was the guard that worked with Zhou Yinghan. It looked like he had a deep affection for a woman! The other you yuan and You Li were Mo Wanwan and Lu Qin's guards. This was not bad. In the future, they could pair up and work without tiring.

"Right now, there's an opportunity in front of you. Not only will it let you rise in rank and make a fortune, but the person you miss will also come to your side. As for whether or not you can get him, that will depend on your own luck,"Yun Chujiu said mysteriously.

You Qi and the other two immediately became excited. "Miss Chuchu, is what you said true? What Opportunity? What do you need us to do?"

Yun chujiu could not help but curse in her heart. This beauty trap was really useful. It was even more useful than the bait she had used previously, she lowered her voice and said, "The SAINTESS has already allied with several forces to kill Vice Palace Master Liu in one go. As long as you listen to my arrangements, I guarantee that the five of you will be at least the Guardians of the Netherworld Hall in the future."
