

The Yun Family's Ninth Child is an Imp! Chapter 176

Yun Chujiu had made a great contribution, and the people in the big kitchen were very grateful to her. She was a little celebrity in the Middle Peak big kitchen, so she did not need to do any work at all. She was just like a mascot.

Yun Chujiu was very obedient. Although everyone told her not to come to work, she still came to work on time. She felt that sometimes special treatment would inevitably cause dissatisfaction, so it was better to try to be like everyone else.

Someone saw the rolling pin on her waist and asked curiously, "Little Jiu, why is there a rolling pin on your waist? Why is it black?"

"I picked it up at the back of the mountain. I thought it was quite fun, so I kept it. If there's nothing to do, I'll play with it!" Yun Chujiu said indifferently. She also wanted to keep the rolling pin in her storage ring, but after thinking about it, she still felt that it was inappropriate as it had its downsides. Therefore, she might as well keep it at her waist.

After a few jokes, they no longer paid attention to the rolling pin.

As Yun Chujiu had more free time, the low-level demon beasts at the back of the mountain suffered!

This girl had learned well. Since she did not want to build a fire at the back of the mountain, she would bring these demon beasts back and barbecue them in her own small courtyard.

Yun Chusi and the others often came to Yun Chujiu's place to have a meal, so their days were very comfortable.

In the evening, she counted with her fingers. It had been more than a month since the gigolo sucked her blood. Why had the gigolo not returned yet?

Did he die?

“Little Black, do you think something happened to the gigolo?” Yun Chujiu sat in the courtyard and muttered.

Little Black stared at her with his pea-sized eyes and asked in confusion, “Master, don’t you hate that gigolo the most? Why are you worried about him?”

Yun Chujiu pouted. “Me? Worried about him? I’m worried that he’s choking. I can’t get rid of the grass in my Dantian! If it weren’t for that, I would’ve wanted that gigolo to choke!”

Little Black covered his mouth with his short wings and winked at Yun Chujiu desperately.

Yun Chujiu was still talking non-stop, “Little Black, is your eye cramping? I’m worried about the gigolo? He’s always pulling a long face like a donkey. I can’t wait for him to die!”

“He’s always acting like I owe him eight million taels of silver! He looks like he needs a beating! Let me tell you, if it weren’t for the fact that I can’t beat him, I would definitely beat him up and make him kneel on the ground and sing ‘Conquer Me’ all day long!”

Yun Chujiu was still scolding happily when Little Black said in its mind, “Master, Master! The gigolo is right behind you!”

Yun Chujiu was shocked, but she did not turn around immediately. Instead, she laughed out loud, “Little Black, how was it? Did I scold Senior Brother bird well? That sissy, a typical gigolo, can’t compare the wise and mighty Prince Charming!

'My Prince Charming is so handsome. When my Prince Charming looks at me, my whole body goes numb and my heart itches! My Prince Charming is the bright moon in the sky. He is the wild grass on the ground. My Prince Charming is my white moonlight and the mosquito blood on the wall!'

"By the way, I haven't seen my Prince Charming for a long time. I miss him to death! Sigh, I can't eat or sleep well now. I miss him all day long! If, at this moment, my Prince Charming appeared in front of me, I would definitely be very happy!" Yun Chujiu said as she shed a few tears.

Little Black's face was filled with confusion!

'Master, you're amazing. You're really too amazing!'

Her ability to invert black and white is truly unprecedented, one would never see it coming!

'It's just that I don't know if the malefic star will believe your nonsense!'
