

The Yun Family's Ninth Child is an Imp! Chapter 177

Yun Chujiu tried her best to clear her name. She praised Di Beiming so much that it made him sound extremely rare and precious. However, her saliva was almost dry after she said that. There was no reaction after that. Yun Chujiu could only turn around in embarrassment. She then pretended to be pleasantly surprised and shouted, "Oh my God! Am I dreaming? Prince Charming, why are you here?"

Di Beiming looked at Yun Chujiu with a malicious look. "Why don't you continue to lie? You wish for me to die, don't you? Then I'll kill you today!"

Yun Chujiu looked innocent. "Prince Charming, why would you say that? Ah, do you think that what I said before was about you? Heavens, I was scolding Senior Brother Bird!"

"Do you think that I'm a fool?" Di Beiming was so angry that his eyes were red. He did not expect that black thing to think like that. If that was how she thought, then what was he doing?!

Yun Chujiu saw that Di Beiming was so angry that smoke was almost coming out of his head. She knew that this matter had blown up!

An Yin and An Feng looked at each other. They were so anxious that they stomped their feet.

Their Honorable Sir had kept a straight face those few days. He could freeze people to death with it. He unexpectedly had an opportunity to drink blood and Yun Chujiu happened to be there. The Honorable Sir would probably kill the tan girl!

Should they stop him or stop her?

If Yun Chujiu was really killed, the Honorable Sir would definitely regret it! However, with their skills, they might not be able to stop him!

Di Beiming raised his hand. Yun Chujiu had finished her thoughts. What should they do?

An Yin and An Feng were about to step forward to stop him. They did not expect Di Beiming to grit his teeth and withdraw his hand.

“Black Thing! You have repeatedly offended me. Not only have I not sinned against you, I have even taught you cultivation techniques and gave you rings. I have even given you countless spirit fruits and delicacies. I did not expect you to speak sweet words to me in front of me, but slander me behind my back. From now on, you and I will be severed. I do not care about your blood!” Di Beiming felt so stifled that he could not breathe. However, he could not bring himself to kill Yun Chujiu, so he turned around and was about to leave.

Yun Chujiu was stunned. She did not expect Di Beiming to say such words. She felt that if she did not do something, she would definitely regret it in the future.

Yun Chujiu stepped forward and hugged Di Beiming’s waist. “Prince Charming! Prince Charming! I was wrong! Those words were indeed meant for you! But they were just words of anger! When I thought about how you haven’t come to see me for such a long time, and how you might be entangled by some little fairy, my heart ached.”

Yun Chujiu saw that Di Beiming did not shake her off, so she knew that there was still a way. Thus, she said in tears, “Prince Charming, you still don’t know me. I’m just a simple-minded fool. I say whatever comes to my mind. Some things can’t be heard, but seen with my eyes! Don’t you believe in your own charm? Why would I lie to you?”

Di Beiming frowned. What Black Thing said made sense. What woman would not be moved by such an outstanding man like him? Moreover, he was so good to Black Thing. Unless she was not sincere, why would she not like this body?

“My Prince Charming, you haven’t had dinner yet, right? I happen to have the wind-blade rabbit that I just hunted from the back of the mountain today. I’ll roast some meat for you!” Yun Chujiu saw that the situation had taken a turn for the better, so she quickly started to roast the meat.

An Feng and An Yin also rushed forward to help. Ninth miss was really a God! She was actually able to appease the Lord who was in a rage. Tsk tsk, when the Lord was angry, even the Hall Master and his wife could not stop him. They did not expect ninth miss to be persuaded with just a few words and a few drops of tears! She was really amazing!
