

## The Yun Family's Ninth Child is an Imp! Chapter 1791

Yun chujiu was absolutely confident that the golden-backed long-necked turtle would agree to her conditions. This was because this fellow had fooled countless demon beasts, and knew that the stick and sweet date method was always effective.

As expected, the golden-backed long-necked turtle was terrified.

Firstly, it indeed felt that Yun chujiu was somewhat difficult to deal with. Secondly, the pill to stop the bleeding was too attractive to it, especially now that it was still bleeding!

The golden-backed long-necked turtle took the initiative to establish a spiritual connection with Yun Chujiu. Yun chujiu formed a seal with both hands and established a temporary contract with it.

“Here, eat a few pills First!” Yun chujiu fed the golden-backed long-necked turtle a few transcendent-grade blood coagulation pills.

The golden-backed long-necked turtle did not expect that Yun Chujiu would actually give the pills in advance. Its heart was strangely moved. This little girl was not bad!

Just as the golden-backed long-necked turtle was moved, it heard Yun chujiu say, “Isn't there a saber-toothed savage whale in this sea area? Let's go and kill it!”

The golden-backed long-necked turtle almost fainted from fright. It hurriedly used its spiritual sense to say, "Little Fairy, that saber-toothed savage whale is a level 28 sea beast. The two of us together are not its match! If we go there, we are courting death!"

"Are you stupid? Did I say that only the two of us will go?" Yun chujie sat on the back of the golden-backed long-necked turtle and pouted.

The golden-backed long-necked turtle was dumbfounded. "Little Fairy, didn't you say that we should go and kill it? Besides, there's no one else besides you and me, right?"

"Let's go and recruit some soldiers and horses right now! The two of us can't kill it, and we can't kill it even if we find a group of Sea Beasts? Once it dies, you might become the new leader. Think about it, isn't it great?" Yun chujie began to draw a picture.

The golden-backed long-necked turtle was excited for a while, then it said dejectedly, "Little Fairy, to be honest, of course I want to kill that saber-toothed wild whale because it's too overbearing. There were a few times when I was almost eaten by it, but will the other sea beasts help us?"

boxnovel.com

"You're really stupid to say that you're stupid. Think about how you were contracted by me? "With this, we can contract more sea beasts. At that time, I will be the Queen of the sea, and you will be prime minister Turtle!" Yun chujie said proudly with her hands on her waist.

Prime Minister Turtle?

The golden-backed long-necked turtle felt that this title was very cool. What the little girl said made sense. Since she could contract it, she could contract other sea beasts. Moreover, she had it to help her!

In this way, she would be able to recruit many sea beasts very quickly. At that time, she would be able to kill the saber-toothed wild whale. At that time, she would be able to take up the position of Prime Minister of the turtle. Just thinking about it was very beautiful!

“Master, I know where there are sea beasts of the same level as me. Let’s set off now!”The golden-backed long-necked turtle said impatiently.

Yun chujju nodded. The Man and the turtle began to recruit soldiers and horses.

An hour later, the golden-backed turtle brought Yun Chujiu to a giant-toothed gray elephant.

The giant-toothed gray elephant saw the golden-backed turtle carrying a little human girl and couldn’t help but feel puzzled. This old B \* Stard was contracted by a human? Strange, that little human girl didn’t seem to have any spiritual power. How could she have contracted the old B \* Stard?

“Hey! Little Bucktooth, I see that your bones are strange and your front teeth are not bad. How about you follow us?” Yun Chujiu said with a smile.

If it weren't for the fact that the giant-toothed Gray Walrus was afraid that Yun Chujiu had taken the golden-backed long-necked turtle, it would definitely spray her with sea flower dew. What nonsense was that! You are the Bucktooth, your whole family is the Bucktooth!
