

The Yun Family's Ninth Child is an Imp! Chapter 1804

Yun chujiu smelled the strong smell of blood the moment she stepped out of the Prodigy Palace. She knew that something big had happened!

She could have just left. However, although this fellow had a black heart, he valued his feelings the most. After sending a letter to an Feng, he immediately flew over.

Fan Zhen said coldly, "This stinky girl is really stubborn. Fan Jia, go up and get this stinky girl down!"

Hearing fan Zhen's orders, a black robed man rode his sword and charged towards Yun Chujiu who was in the air, and attacked Yun chujiu with his spirit energy.

"F * ck! You're really going to fight! I Can't Beat You, let's meet again!" After Yun Chujiu said that, she commanded the chopping board to fly away.

That Black Robed Man Fan Jia was stunned!

Fan Zhen was stunned!

The people from the Tian Yuan Academy were all stunned!

What the hell?

Weren't you just indignant and righteous just a moment ago? Why did you suddenly change your style and run away in such a short time?

Could it be that her eyesight wasn't very good, and she didn't notice that these black clothed men's spiritual power was superb at the beginning, but now that she noticed it, she ran away?

Fan Jia thought the same. He curled his lips contemptuously and rode his sword to chase after her!

Unexpectedly, although that little girl was at the second level of the spiritual paragon realm, her speed of escape was extremely fast. Fan Jia chased after her for a long time but still could not catch up.

It just so happened that the little girl was circling in the sky above the Tian Yuan Academy. As she escaped, she said, "Aiyo, everyone look quickly. I am walking my dog! This dog is so obedient. It has been chasing after its master all this while!"

Fan Jia was so angry that he almost fell off his sword. He shouted at the men in black below, "Fan yi, Fan Bing, help me stop this little girl!"

The three men in black started to surround and intercept Yun chujiu. Yun Chujiu had just begun to command the chopping board to fly up and down when she suddenly stopped running. She sighed, "Forget it. I Can't run anyway. Come and Catch Me!"

Fan Jia and the other two men snorted coldly and surrounded her, trying to force Yun Chujiu to land. Unexpectedly, just as the three men approached Yun chujiu, Yun Chujiu's chopping board suddenly jumped up, then, stack after stack of superior-grade burst talismans were thrown at them.

Fan Jia and the other two men's spiritual power was much higher than Yun Chujiu's. Although they were not on guard, they could still dodge these talismans if they tried their best.

However, they felt that since it was a pile of talismans, it must be some worthless explosive talismans. Their high spiritual power explosive talismans did not pose any threat to them, so they did not try their best to Dodge, they only managed to dodge a part of it.

Loud explosive sounds were heard one after another, accompanied by the miserable screams of Fan Jia and the other two. Yun chujiu was not idle at this time, she continued to throw talismans at the three of them!

Damn it! I'll blow you all to death! I'll Make You Bully My Master! I'll make you bully the Headmaster! I'll make you bully Feng Ming and the others! I'll make you bully the Beauty Jin Zhi!

Although fan Jia and the other two were powerful, they were still flesh and blood after all. How could they withstand the bombardment of so many superior grade burst talismans? They were blown to bits!

No one had expected such a situation. Compared to the people from the Tian Yuan Academy, Fan Zhen and the others were even more shocked!

What kind of talisman was that little lass using? Was It a sudden rupture talisman? How could she have so many sudden rupture talismans? Could it be that her family was selling talismans?

Without waiting for Fan Zhen to give the order, another three people rode on their swords and charged towards Yun Chujiu. “Damned Lass, you’re courting death!”

“I’m always looking for things, but I don’t know how to seek death! I see that you’re all here to seek death! Did you all think that those three people would be lonely and cold when they went underground, so you wanted to accompany them?” Although Yun Chujiu was very worried in her heart... , however, this guy was used to being pretentious, but his face didn’t show it at all.
