

The Yun Family's Ninth Child is an Imp! Chapter 1807

Feng Ming and the other two had followed Yun chujiu for a long time. They immediately understood Yun Chujiu's intention and knew that she was stalling for time, feng Ming immediately cooperated and scolded, "Qian duo duo Duo! You're really ruthless! Didn't I just reject you? No one would like a ruthless woman like you!"

"You're Shameless! It's your fortune that I like you! If it wasn't for your delicate skin and flesh, I would have castrated you long ago! Pui!" Yun chujiu almost laughed out loud. Senior Brother Bird actually knew how to use a fake name!

"You! You Fickle B * Tch! All the slightly better looking men in the academy have been ruined by you! I Won't give in even if I Die!" Feng Ming roared in grief and indignation.

Shi Xuan, who was at the side, also understood and cursed at Yun chujiu, "That's right! A man can be killed but not humiliated! Even if you get our bodies, you can forget about getting our souls!"

Dean Huangfu, the veteran actor, also began to add drama, "Sigh! Qian duo duo duo, Qian duo duo Duo! Originally, I thought that you were still young and although it was immoral, there was still a chance to save you. I didn't expect that you would be so vicious. Now, you actually want to ally with outsiders to kill us! "You're really the scum of our Tianyuan Academy!"

In order to survive, the students of Tianyuan Academy also started to put on their acting skills:

"Qian duoduo! You, you've already possessed me, why aren't you satisfied? A Hundred Days of marriage in one night, you, you're actually so vicious!"

"Qian duoduo! Have you forgotten the sweet words you said to me back then? I Won't let you off even if I become a ghost!"

“Qian duo duo duo, you clearly said that although I am your thirty-sixth man, I Will Be Your Last Man. So it turns out that you have been lying to me all along, you heartless woman!”

..

Fan Zhen and the men in Black had obviously never encountered such a thing before. For a moment, they could not make heads or tails of it and could not help but start making connections.

Qian duoduo seemed to be a womanizer. She was usually a womanizer. Although many people had submitted to her, there were still some who would rather die than submit. was she then locked up by the headmaster?

Yun Chujiu tried hard to hold back her laughter and thought to herself, life is like a play. It all depends on acting!

Yun Chujiu estimated the time. An Feng and the others should be arriving soon.

However, there were still fifteen men in black. Even if an Feng and the others arrived, they would still not be able to defeat them. Moreover, they still had hostages in their hands. What should they do?

Yun chujiu stood on the chopping board and looked around. When she saw the trial tower, she had an idea.

“Aiya, I remembered something important! Let’s talk about this deal later. I have to go collect the divine weapon first!”After Yun Chujiu said that, she flew away on the chopping board.

When Fan Zhen heard about the divine weapon, he immediately revealed a greedy look. Although he felt that something was amiss, he still had the upper hand. "Leave seven people to guard these people. The rest of you, follow me!"

After fan Zhen said that, he brought seven people on his sword and chased after Yun Chujiu.

Yun chujiu turned around and looked. She sneered in her heart. He was really greedy! He actually brought half of his people over!

Yun chujiu quickly landed in front of the trial tower. She placed her identity jade token in the groove of the trial tower and did not rush in. She deliberately waited until fan Zhen and the rest were about to land before she walked in.

Fan Zhen waved his hand and the seven men quickly followed Yun chujiu in. Fan Zhen stood guard outside and he felt that there was no risk.
