

The Yun Family's Ninth Child is an Imp! Chapter 1849

Dong Qing and Xia Ye were so angry that they were twitching. However, they could not say that they were wearing the veils because they were poisoned. If that was the case, Yun Chujiu would have an excuse to punish them.

Therefore, the two of them could only stammer, "Miss, our faces are a little allergic to pollen, so we wear the veils to prevent it."

Yun chujiu nodded, "I see! TSK TSK, I thought you were shameless! By the way, could it be that there was really something dirty in the bath water yesterday, so your faces can't be seen?"

Dong Qing and Xia ye shook their heads quickly, and Xia ye quickly changed the topic, "Miss, you'd better wash up quickly. The Master and Madam are still waiting for you!"

Yun chujiu then slowly rinsed her mouth and washed her face. Then, she slowly walked to the outside room.

Manager Xia saw Yun Chujiu coming out and thought that she could leave now. Unexpectedly, Yun Chujiu sat down on the chair and took out food from her storage ring.

Manager Xia couldn't help but be stunned. "Miss, you... What are you doing? The Master and Madam are still waiting for you!"

“Are you blind? Of course, it’s breakfast! Are you trying to starve me to death? No one brought me dinner last night, and no one brought me breakfast this morning! Sigh! Those who are not welcomed can only rely on themselves! Fortunately, I ordered ten tables yesterday, or else I would have really starved to death,” Yun Chujiu said with a long sigh.

Dong Qing and Xia Ye were too scared yesterday to even think about getting dinner? Only then did the two of them remember that they had been hungry for two meals. It would have been better if they didn’t think about it. Now that they smelled the aroma of the food on the table, they suddenly felt very hungry.

Yun chujiu mumbled as she ate, “TSK tsk, the food at Ji Qing restaurant is really good!”! Moreover, the banquet was well-matched. There was soup and water, and it was not greasy in the morning. “Look at this Xiaolongbao. It’s so thick on the outside and full of juice inside. It’s simply a delicacy in the world...”

Dong Qing and Xia ye unconsciously swallowed their saliva. It was not that they were useless, but they were too hungry!

“Miss, the Master and Madam are still waiting for you. Please fill your stomach and leave!” Manager Xia wanted to flip the table over. The Master and Madam were still waiting on the other side, but this country bumpkin was still eating slowly, this was too much!

Yun Chujiu took out a handkerchief and wiped her mouth, she said slowly, "Manager Xia, you may not know that I am angry when I wake up and angry when I am hungry. If anyone blabbers during my meal, I will turn my back on them."

Manager Xia was so angry that she was twitching. She had never heard of anyone being angry when they were hungry. This country bumpkin obviously did not put the master and Madam in his eyes!

If it were not for yesterday's incident, manager Xia would have dragged Yun chujiu away. However, when she thought of this Brat's short temper, she even dared to blow up the mansion. Would she blow up Qing Yu Xuan as well? Therefore, she could only wait bitterly at the side.

Yun chujiu ate breakfast for more than an hour. Manager Xia was so anxious that her forehead was covered in sweat. Finally, she saw Yun chujiu put down her chopsticks.

"Miss, can we leave now?"

Unexpectedly, Yun Chujiu took out a teapot and a Teacup. She slowly began to drink the tea. "What's the hurry? We can't exercise too much after eating. We can leave after I drink a few cups of tea."

Manager Xia couldn't take it anymore. She almost shouted, "Miss! Don't go too far. The Master and Madam have their limits. You should think of the Yun family when you do this!"
