

The Yun Family's Ninth Child is an Imp! Chapter 1850

When Yun Chujiu heard manager Xia's words, she suddenly raised her head. When manager Xia saw Yun Chujiu's deep and cold gaze, he could not help but take two steps back. Why was this country bumpkin's gaze so terrifying?

When manager Xia looked again, she saw Yun chujiu saying indifferently, "If you are willing to kill, then go kill! Anyway, I have food and drink. What does their lives have to do with me? !"

Manager Xia heaved a sigh of relief. It seemed that it was just an illusion. Although this country bumpkin had a heavenly thunder spirit root, his spiritual power was so low. He would not have such a murderous look. He must have seen wrongly.

However, this country bumpkin really did not care about the lives of those people. He was really cold-hearted!

When manager Xia and the others went to capture Yun Chujiu, they came and went in a hurry. Therefore, they only inquired about the basic situation. Therefore, they did not know much about Yun chujiu. Firstly, they were pressed for time! Secondly, they did not put Yun chujiu in their eyes at all. What could a teenage girl do? !

If they knew that Yun Chujiu took the risk to sneak into the Netherworld alone in order to save her adoptive parents, they would not have made such a judgment. They could only say that their arrogance was digging a hole for themselves.

Just when manager Xia did not know what to do next, Yun Chujiu finished the tea in her teacup in one gulp. “Forget it. I see that it is not easy for you to be caught in the middle, so I will reluctantly not waste any more time. Let’s Go!”

Manager Xia could only say with a stiff face, “Thank you for your understanding, miss. Please go ahead!”

Yun chujiu stood up and slowly walked out of the courtyard.

“Manager Xia, I didn’t look at our Mo residence in detail yesterday. I happen to have some time today, so you can introduce it to me properly! Whose courtyard is that?”Yun chujiu pointed at a courtyard.

Manager Xia was on the verge of breaking down!

Oh My God! The family head and Madam were probably going to explode from anger. You still have the heart to tour around?

“Eldest miss, that is the second miss’ courtyard. After you meet the family head and madam, this servant will definitely introduce it to you. Let’s leave quickly!”

“Sigh, it’s not that I don’t want to leave quickly. I’m really a little stuffed from eating. I Can’t leave quickly! If you guys are really anxious, I don’t mind if you carry me on your back. You can even carry me on a soft couch!” Yun chujiu sighed, she spread her hands and said helplessly.

Manager Xia almost spat out a mouthful of blood!

She had seen thick-skinned people before, but this was the first time she had seen such a shameless person!

However, manager Xia was worried that Madam Luo and Mo Cheng would get angry, so she had no choice but to take out a soft couch from her storage ring. “Dong Qing, Xia Ye, you guys carry Miss Luo away. Hurry Up!”

Dong Qing and Xia Ye felt as if their hearts were going to explode. This country bumpkin was obviously lying through his teeth. She couldn’t move? She was just lazy!

The two of them were so hungry that they felt uncomfortable. They could only swallow a few fasting pills before carrying Yun chujiu forward.

Yun chujiu sat on the soft couch happily. She took out a red silk thread from her storage ring and waved it back and forth. “You guys are too slow! Run quickly! My father and second aunt are probably waiting like mushrooms!”

Dong Qing and Xia ye wished they could just throw this guy on the ground. However, they dared not to do so, so they could only speed up and run towards the main courtyard.

The servants of the Mo residence were dumbfounded and confused. Was that the legendary young miss who blew up the mansion? Was she injured or something? Why was she still being carried away?
