

The Yun Family's Ninth Child is an Imp! Chapter 1878

Mo Peng and Mo Chang met a soft nail, and their faces were a little embarrassed.

At this moment, they heard Yun chujiu say excitedly, "Father, I haven't met grandfather and grandmother. Since uncle and third uncle are on the way, then let them bring me there!"

This person was very shrewd. Mo Fanghua, that Little B * TCH, had been staring at her coldly. Perhaps when Mo Peng and Mo Chang left, she would fly into a rage. It was better to stay away from the limelight.

Besides, Mo Peng and Mo Chang would definitely try to rope her in when they arrived at the old residence. It was just the right time to see if they could find out Mo Cheng's motive for bringing her back.

Mo Peng's face lit up when he heard Yun Chujiu's words. "Second brother, since Fangcao wants to visit grandfather and grandmother, let's bring her back to the old residence."

Mo Cheng was naturally unwilling. The three of them started to argue and the atmosphere became more and more tense.

Seeing this, madam Luo said, "Master, since Fang Cao wants to go, then let her go. She really should go and visit her grandparents."

Mo Cheng was stunned, but seeing Madam Luo's concealed gaze, he could only say, "Since that's the case, then we'll do as you say! It's getting late today. Big Brother, third brother, you guys can leave tomorrow."

Mo Peng and Mo Chang had gotten what they wanted, so they naturally agreed without hesitation.

When Mo Cheng and Madam Luo returned to the main courtyard, Mo Cheng asked in puzzlement, "Qiaoyun, you clearly know that those two don't have good intentions, so why did you agree?"

"Old Master, since they have such thoughts, even if you don't agree, I reckon that they will urge father and mother to go over after they return. Since that's the case, why should father and mother be dissatisfied with us?"

"Although what you said makes sense, that rebellious daughter is already dissatisfied with us. What if those two really persuaded her?"

"Master, isn't that easy to handle? Isn't Jun Chen at the old residence? In two days, we'll use the excuse of going to pick up Jun Chen to bring Fang Cao back. In just a few days, they won't be able to convince Fang Cao.

“Besides, I’ll ask Fang Qin to go with us. If there’s any disturbance, she can keep an eye on it. “Moreover, master, we don’t know whether that matter is true or not. When we go over, we can still find out the truth.”

Mo Cheng said with appreciation, “Qiaoyun, what you said makes sense. I’m really lucky to have married you. What more could a husband ask for?”

..

The next day, Mo Cheng proposed to let Mo Fangqin go with him. Mo Peng and Mo Chang could not refuse, so they could only bring mo fangqin along.

The Mo family’s old residence was in Feng Li City, which was hundreds of miles away from Jin Chuan City. Therefore, everyone boarded the flying spirit tool as soon as they left Jin Chuan City.

Yun chujiu was chattering non-stop, but the content was nothing more than what was delicious and which clothes were good-looking. Mo fangqin could not be bothered with her, but she was afraid that Mo Peng and Mo Chang would blame her, so, she agreed perfunctorily.

Mo Peng and Mo Chang only had a few words for Yun Chujiu: greedy, greedy, and afraid of death. It was too easy to rope in such a little girl.

Although she had cheated some things before, it was just carelessness. This little girl was at most a little clever and not worth being afraid of.

That afternoon, the flying spirit tool arrived outside of Feng Li City.

Yun chujiu saw the big words “Feng Li City” on the city gate and could not help but be secretly happy. This name was good. Pineapple City? It sounded sweet and sweet.

Mo fangqin saw that Yun Chujiu had been smiling all along and could not help but snort in her heart. Country Bumpkin, did she think that the old residence was a good place? That was a place that ate people without spitting out their bones. There was a time for you to cry!
