

The Yun Family's Ninth Child is an Imp! Chapter 1926

"TSK tsk, I have to say, although the gigolo has no conscience, his figure is really not bad. If it really doesn't work, I'll make a few puppets in the future and make them all look like gigolo's. I'll do whatever I want with them.

When the time comes, these puppets will be called Gigolo No. 1, Gigolo No. 2... All the way until Gigolo No. 250. Haha, I reckon that when I sell these puppets, they'll definitely be very popular! "I will definitely make a huge profit..."

The more he talked, the more his thoughts became like wild horses that could not be pulled back!

Then, the door was smashed into pieces!

Yun chujju looked up and saw di beiming standing at the door.

Di beiming was full of murderous aura and his face was full of anger. It was obvious that he was very angry.

When Yun Chujju saw di beiming standing at the door, she did not cry or make a scene. Instead, she asked faintly, "Are you going to die soon?"

“Humph! I really let you down. My body is very healthy. I can live for thousands of years without any problems.”When di beiming heard Yun Chujiu’s first question, he actually asked if he was going to die. One could imagine the anger in his heart.

“Actually, even if you are going to die soon, it doesn’t matter! Who doesn’t live without who? ! You are here to give me a break-up fee, right Hurry up, you can leave after giving me the money. I can use this money to support a few more husbands. When the time comes, I’ll have a bunch of little ones. Just thinking about it is beautiful!”Yun chujiu stretched out her hand with a smile.

“You, you don’t know shame!”Di beiming was so angry that he gritted his teeth and smashed the dressing table in the room.

“I don’t know shame? Di beiming, are you shameless? ! Do you have the right to criticize me? Did I make you break up with me? Or did I make you abandon me?

Don’t tell me you have some bullshit reason! Just solve the problem if you have a problem. I despise cowards like you who always sacrifice yourself to help others!

Why are you glaring at me? ! You Think You’re great! ? You’re a coward! You think you can’t overcome the difficulties you encounter, so you pretend to be affectionate and break up with me!

PFFT! Do you think that I will be grateful just because you did this? Dream On! Let me tell you, Di beiming, the moment you said that you were breaking up with me, you were no longer my Prince Charming in my heart! You are an out-and-out coward!

Hurry up and give me the break-up fee, then get lost! I, Yun Chujiu, am looking for an indomitable hero, not a self-righteous bear!"Yun chujiu pointed at di beiming's nose and started cursing. Although the cursing was very fierce, the rims of her eyes were red.

Di beiming clenched his fists and his eyes were red. After a long silence, he took a deep breath and said, "You are right. I Am a coward. Forget About Me!"

Yun Chujiu's heart skipped a beat. She thought that after she said those words, Di beiming would tell the truth. She did not expect that he still did not relent. This meant that the severity of the matter had exceeded her imagination.

Moreover, she also noticed the change in di beiming. Although she could not see the level of di Beiming's spiritual power, but since he was able to sneak into the Mo residence, it meant that his spiritual power had increased a lot. Most importantly, di Beiming's personality seemed to be even colder than before, and even a little colder. What exactly happened?

"Pretty boy, although I don't know what happened, no matter what happens, I, Yun Chujiu, will not be afraid. I will kill Gods and Buddhas whenever I encounter them! "If you turn around and leave today, there will be no room for redemption between us!"Damn it! Who doesn't know how to say Harsh Words? !
