

The Yun Family's Ninth Child is an Imp! Chapter 1927

Di Beiming's eyes were fixed on Yun Chujiu, and Yun Chujiu was also fixed on di Beiming's eyes. Both of their eyes were bright red. They were obviously filled with endless affection, but what they said were ruthless and malicious words.

Di beiming wanted to turn around and leave, but his legs were extremely heavy. He knew that once he took this step, there was really no room for redemption!

He had already made up his mind. Why did his heart ache when he heard that little jiu wanted to find another man! He had already decided to let go. Why did he only want to hug little jiu when he saw her pretending to be strong!

Di beiming gritted his teeth and finally turned around, wanting to leave.

"Pretty boy, very good. This is what I want too. Let me tell you the truth. The guai Cao in my dantian has begun to corrode my Dantian. I estimate that I won't be able to live for more than three months.

Initially, I thought that I wouldn't be able to see you again. Seeing you before I die would be considered as having no regrets. There is no fate between us in this life. In the next life, Heh, let's not see each other in the next life. We are fated but not fated!" After saying that, Yun Chujiu's tears flowed down. She lay on the bed and wailed loudly.

Di beiming suddenly turned around and ran to the bedside. He was about to take Yun Chujiu's pulse.

“Get lost! I don’t want you to pretend to be kind! You must be giving me such an Act because I’m about to die. You Ingrate, get lost! Just let me die on my own!

I’m also someone who no one will love! It was not easy for him to think that he was going to die, but he was snatched to the immortal essence continent. The worst thing was that I won’t live long! I’m going to die! Wu Wu...”Yun Chujiu was crying so hard that it almost broke Di Beiming’s heart.

The Guai Cao in his Dantian felt that he had been wronged to death! He had been very well-behaved recently, Alright? Why did he throw the blame on him? Damn it!

Di Beiming was so anxious that his forehead was covered in sweat. When he saw Yun Chujiu crying so hard that her small body was trembling, it seemed like she was going to faint, his heart was in pain as he said, “Little Jiu, don’t cry anymore. I’ll bring you back to the Tian Yuan continent and let my master rebuild your Dantian.”

“Rebuild My Dantian? I don’t want to! Anyway, you don’t want me anymore. What’s the point of me living? I’ll just die in the immortal Yuan continent. I don’t want my grandfather and the others to be sad when they hear the news of my death.

Di beiming wanted to hug Yun chujiu in his arms to comfort her. However, when he thought of the purpose of his visit, he couldn't help but be in a dilemma. He was so anxious that he gritted his teeth.

Yun chujiu saw di Beiming's unlucky look through the gaps between her fingers. She couldn't help but curse in her heart. He's so damn stubborn. Looks like I'll have to take the initiative to attack!

Just as DI beiming was sweating profusely, Yun Chujiu suddenly got up from the bed and pressed di beiming on the bed. Then, she kissed him.
