

The Yun Family's Ninth Child is an Imp! Chapter 1933

"Well said! Haha! She is indeed my Mo Xiaoting's good granddaughter. She is so smart! You have a point! The stone slabs outside the door were not created by human hands, so this is all part of God's will! Sooner or later, the Mo family will return to the eastern continent!"

Mo Xiaoting kept praising Yun Chujiu. As he looked at Mo Peng and the other two men standing beside him., Mo Xiaoting was furious, "The three of you are all stupid. You Can't compare to Fang Cao, you useless piece of trash! You are all part of the Mo family, how can you be so different? !"

Mo Cheng's pupils contracted. He wanted to say something but swallowed it back and glared at Yun Chujiu.

"Father, why are you staring at me? Do you have a different opinion?" Yun Chujiu looked at Mo Cheng with confusion.

Mo Xiaoting furrowed his brows and said unhappily, "Second brother, do you have a different opinion?"

"No." Mo Cheng wasn't that stupid. Mo Xiaoting was obviously satisfied with what Yun Chujiu said. If he said he didn't have a different opinion, he would be looking for trouble.

"Eldest brother, third brother, do you have a different opinion?" Mo Xiaoting asked Mo Peng and Mo Chang.

Mo Peng praised against his heart, "Father, what Fangcao said makes sense. This is a sign from the heavens. Our branch will soon return to the eastern continent!"

Mo Chang added, "Although niece Fangcao is young, she is smart and quick-witted. No wonder father thinks highly of her."

Mo Xiaoting nodded, "Since you are all so slow-witted, then work hard. How's the Business You've been managing recently?"

Seeing that they were about to discuss the business, Yun Chujiu tactfully said, "Grandfather, you guys can discuss some business. Third sister and I will take our leave first. Hehe, the main thing is, I really have a craving for the scarlet cloud fruit. I'll pick some and eat them."

Mo Xiaoting couldn't help but laugh, "What a gluttonous little girl. Go On! Pick some more. No one likes the taste of the scarlet cloud fruit anyway."

Mo Peng and the other two thought to themselves, old man, aren't you ashamed of your words? When did the scarlet cloud fruit not break their heads? Why did no one like to eat it? How biased!

Yun chujie did not care whether she was biased or not. This person never knew what it meant to be reserved. When she arrived at the courtyard, she specifically picked large and red fruits.

Mo Fangqin couldn't stand it any longer and said softly, "Big Sis, that's enough. The scarlet cloud fruit is meant for everyone to try."

Only then did Yun chujie jump down from the tree and clapped her hands, "I thought what grandfather said was true. Since no one likes it, I'll just pluck it all!"

The corners of Mo Fangqin's eyes twitched. She didn't believe that Yun Chujie couldn't tell that Mo Xiaoting was lying. This guy was greedy!

The next day, Aunt Qiu was picked up to the old mansion.

Mo Fangqin was very excited as she dragged Yun chujie to see Aunt Qiu.

This was the first time Yun chujie had seen Aunt Qiu. Aunt Qiu's appearance wasn't bad, but it was obvious that she was a docile person. If it wasn't for Mo Fangqin protecting her all these years, Mrs. Luo probably wouldn't have needed to do anything, the servants could bully her to death.

Yun chujiu furrowed her brows. Such a personality was difficult to use. If things went wrong, she might even be a burden. She had to think of a way.

That night., yun Chujiu said to Mo fangqin seriously, "Third sister, your aunt's personality is too docile! Firstly, you can't always protect her. Secondly, if she doesn't fight for herself, we can't help her no matter how powerful we are."
