

The Yun Family's Ninth Child is an Imp! Chapter 1947

"Second elder Zhao, you've come a long way. It's been a long journey. Why Don't you stay at my Mo residence for a few days and let me do my part as a host? As for the marriage, I will give you an answer as soon as possible."

Second Elder Zhao was extremely unhappy, he replied coldly, "Thank you for your hospitality, Patriarch Mo. ". In other words, the matchmaker for my nephew had already broken through the door. If it wasn't for second master Mo's sincerity, I wouldn't have come. So, it's best for Patriarch Mo to make a decision as soon as possible. The Zhao family will not force you."

It had been a long time since Mo Xiaoting had been ridiculed like this, so he was naturally unhappy, he said coldly, "Second elder Zhao, the biggest reason you came all the way here to propose marriage is probably because of Fang Cao's maternal family!" "Although the Mo family wants to develop further, it's not to the extent that we can't survive without working with the Zhao family. So, second elder Zhao, please wait patiently for a few days!"

"Master Mo, what do you mean? ! It's fine if you don't agree, but do you think the Zhao family won't be able to get a daughter-in-law? !"Second Elder Zhao jumped to his feet.

"Second elder Zhao, calm down, calm down. My father is reluctant to part with his granddaughter, he doesn't mean anything by it,"Mo Cheng's forehead was covered in sweat as he complained to Mo Xiaoting in his heart. All he had to do was agree, why did he have to wait for a few days? ! Could it be that he had lost his mind? !

"Second elder Zhao, Mo Cheng is right. I really don't want to part with my precious daughter and get married so early. My words were a little harsh, please don't take it to heart.". Mo Cheng, accompany

second elder Zhao to the guest house to rest. Tonight, I will arrange a banquet to welcome second elder Zhao,”mo xiaoting suppressed the dissatisfaction in his heart, he pulled back his words.

Seeing that Mo Xiaoting had pulled back his words, second elder Zhao came back with a mission. So, he decided to play along and smooth things over.

After making arrangements for second elder Zhao, Mo Cheng rushed over to see Mo Xiaoting.

“Father, as long as we have the low-priced talisman from the Zhao family, we will be able to earn a lot of money! This is a great opportunity for the Mo family to rise to fame. How can you push it away? !”Mo Cheng complained.

Mo xiaoting glanced at him, “If the marriage is successful, what benefits will the Luo family get?”

Mo Cheng was shocked and his face turned a little embarrassed, “Father, what does this have to do with the Luo Family? !”

Mo Xiaoting slammed his hand on the table, "Don't play dumb with me. Why Don't you just tell me the truth? !"

Mo Cheng saw that Mo Xiaoting was getting angry, so, he could only say in a low voice, "It's not that beneficial. The Zhao family has only agreed to give the Luo family a certain amount of talismans. Father, don't worry. The majority of the talismans belong to the Mo family. The amount the Luo family can get is only one-fifth of ours."

Mo Xiaoting nearly fainted from anger!

"You, you idiot! Is one-fifth too little? The fragrant grass belongs to the Mo family. Why should the Luo family get one-fifth? In the future, if anything happens to the fragrant grass, the Mo family will bear all the blame. The Luo family will have nothing to do with it!

"Besides, with the Luo family competing with us, can our talismans still be sold at a high price? "Do you have a brain, you idiot!"

Mo Cheng was scolded like a dog, he stretched his neck and explained, "Father, I understand what you're saying, but without the Luo family pulling the strings, we can't get along with the Zhao family! "Besides, my father-in-law said that as long as we agree to this marriage, they will help us deal with the plain brocade for free."
