

The Yun Family's Ninth Child is an Imp! Chapter 1978

"Grandfather, look at what you're saying. You love me the most. Can you still hand me over? Besides, the Luo family is asking for a beating. I'm just helping you vent your anger!" Yun Chujiu said with a cheeky smile.

Mo Fangqin's eyes twitched. A country bumpkin's skin was really thick!

"You make it sound so simple. If the Luo family comes to seek justice, what should I do?" Mo Xiaoting was also amused by Yun Chujiu's shamelessness!

"Grandfather, we'll deal with whatever comes our way. In a while, you can just say whatever you want. Leave the rest to your granddaughter," Yun Chujiu said with a smile.

Mo Xiaoting thought about it and felt that this was a good idea. Fang Cao was just a little girl anyway. If it didn't work out, he could just make things right again.

As they spoke, a guard came over to report, "Master, the Luo family's master is here. Second Master is already accompanying him to the living room."

Mo Xiaoting originally thought that Yun Chujiu was being ridiculous, but after hearing the guard's words, he was immediately enraged! Second Brother was a traitor and a fool. Yet, when his father-in-law arrived, he immediately went to welcome him. Damn it!

Yun Chujiu caught a glimpse of Mo Xiaoting's expression and added fuel to the fire, "Grandfather, my father is really hardworking today. Every time you call him to the study room, he doesn't come so quickly."

Hearing this, Mo Xiaoting's expression darkened, "Let's go to the living room."

"Okay! Grandfather, when the time comes, I promise I will help you anger that old bastard, Luo Pingsheng," Yun chujiu hopped behind Mo Xiaoting and gave Mo fangqin a cocky look.

Mo Fangqin glared at her and thought, grandfather has temporarily passed this test, but the head of the Luo family isn't so easy to deal with. When the time comes, grandfather might not be able to handle the pressure and even teach you a lesson. Why are you so cocky? !

At that moment, in the living room, the Luo family head, Luo Pingsheng, was maintaining his identity as he sat by the side with a solemn expression. He did not say a word.

Luo Yan was hugging Luo Shi's Snot and tears as she sobbed, "Auntie, not only did that slut mo fangcao beat me, she even extorted 20 million upper-grade spirit stones. You have to make a decision for me!"

When Luo Shi saw that her niece's face was swollen like a pig's head and her body was covered in blood stains, she was so angry that she gritted her teeth. However, she had deep thoughts, so even if she wished to cut Yun chujiu into a thousand pieces.., she still pretended to say, "Yan 'er, is there a misunderstanding? Why would fangcao beat you up for no reason?"

Mo Cheng, who was beside her, said furiously, "HMPH!"! Qiaoyun, there's no need for you to ask. That rebellious daughter has always been arrogant and domineering. If she could even break her own brother's leg, what else could she not do? ! This time, father will not protect her. We have to teach her a lesson."

Luo Shi felt proud in her heart, but she put on a troubled expression as she said, "Husband, Fang Cao may have gone overboard, but she is still young and ignorant. Please don't punish her too harshly."

"HMPH! She's already 17 years old, yet she's still young and ignorant? ! Qiaoyun, you don't have to persuade her anymore. No matter what, you have to give father-in-law and Yan 'er an explanation!" Mo Cheng said through gritted teeth.

When Mo Xiaoting entered, he heard Mo Cheng's words. He wished he could send Mo Cheng flying with a kick. This stupid traitor!

On the other hand, Yun Chujiu's eyes darkened. What was the use of having a father like this? ! She couldn't help but laugh at herself. Luckily, she wasn't a stupid and filial person. Otherwise, she would have been cheated to death by this scumbag!
