

The Yun Family's Ninth Child is an Imp! Chapter 1998

Yun chujiu stood to the side and watched coldly without saying a word.

She was betting on Mo Xiaoting's unwillingness and Mo Xiaoting's recognition of her abilities. She was also betting on everything she had done during this period of time.

After a long while, Mo Xiaoting suddenly raised his head, "Fang Cao, do you have a way to break this deadlock?"

"Grandfather, if I say I have a 50% chance, do you dare to Bet?" Yun chujiu's lips curved upwards as she asked slowly.

Mo Xiaoting's hands trembled slightly. It was obvious that he was conflicted. Should he bet or not? If he did, he might be able to resolve the crisis and expand the Mo family's influence. Of course, he could also speed up the destruction of the Mo family.

But, if he didn't make a bet, he might be able to survive for a few more years, but in the end, he would not be able to escape the fate of having his entire family wiped out.

Yun Chujiu knew that Mo Xiaoting would definitely make a bet. He was ambitious, but he wasn't willing to give up. Otherwise, he wouldn't have wanted to return to the east continent and become a wealthy man in peace.

As expected, Mo Xiaoting gritted his teeth and said, "I'll make a bet! Fang Cao, I hope you won't disappoint grandfather this time."

"Grandfather, don't worry. Although it's only a 50% chance, your determination has turned it into 70%," Yun Chujiu smiled and said in a relaxed tone.

"Fangcao, what are you going to do?" Mo Xiaoting was originally worried, but after hearing Yun Chujiu's smile, he felt a little more relaxed.

"Grandfather, tell me more about the Zhao and Luo families. The more detailed the better."

"Okay!"

..

Mo Xiaoting immediately told Yun Chujiu everything he knew. Yun Chujiu blinked, "Grandfather, the first thing you need to do is send someone to bring my father, second aunt and the others to Feng Li City."

“Are you planning to send Luo Shi back to the Luo family to plead for mercy? Or are you planning to use Luo Shi as a hostage to threaten the Luo Family?” Mo Xiaoting asked in confusion.

“Grandfather, I’m getting married. Isn’t it normal for father and second aunt to come over?” Yun Chujiu said with a faint smile.

Mo Xiaoting glared at her, “Tell the truth!”

“Grandfather, call them back. Firstly, it’s to prevent the Zhao or Luo family from holding them hostage. Secondly, it’s also a good opportunity for my father to see the true face of the Luo family. hasn’t he always thought that the Luo family is a good family?” Yun Chujiu sneered in her heart! If she didn’t call them back, how could she let Luo Shi receive their retribution? !

Mo Xiaoting immediately sent someone to fetch Mo Cheng and his family back. Mo Cheng also brought over the two new concubines.

Mo Xiaoting summoned his three sons to the study room and briefly told them about the Zhao family, Mo Cheng immediately said, “Father, I told you at the beginning that you should marry this rebellious daughter. Now that the Zhao family has forced their way in, you should just marry this rebellious daughter.”

Although Mo Peng and Mo Chang did not show it on the surface, they were secretly happy inside. Once Mo Fangcao was married off, wouldn't the seven-colored lucky card be theirs? ! This was great!

“Do you think marrying Fangcao would be a good thing? To tell you the truth, the Mo family is facing a disaster!”

Mo Xiaoting was extremely disappointed. Each of his three sons was dumber than the last. They only saw the benefits in front of them and could not see the true nature of the situation.

“Dad, are you kidding me? ! Once we get married and the Zhao family sells the talisman to us at a low price, our Mo family's business will be booming. How could we possibly be wiped out? !” Mo Cheng said as he curled his lips.
