

## The Yun Family's Ninth Child is an Imp! Chapter 2000

Mo Xiaoting was extremely disappointed. His three sons were all idiots with no ambition, and his grandchildren were all mediocre. Mo Fanghua was the only one with the best training potential, but unfortunately, it was still from Luo Shi.

Fancao wasn't bad, but he was afraid that once the incident was revealed, it would be even more difficult to resolve.

Mo Xiaoting instantly looked as if he had aged 10 years, he let out a long sigh, "Take care of your family members. Don't go out unless there's something important. Also, do what you should do with your business. If I find out that you've done something, Don't blame me for being merciless as your father."

Mo Peng and Mo Chang saw Mo Xiaoting's cold expression and couldn't help but shiver. The little tricks in their hearts disappeared as they obediently agreed.

On the other side, Mo Cheng covered his face as he angrily walked back. Although he still did not believe that the Luo family would harm the Mo family, he was still a little suspicious. So, he went straight to Luo Shi's house.

"B \* Tch! Tell me, do you think the Luo family has no good intentions to harm the Mo Family?" Mo Cheng looked at Luo Shi and immediately slapped her across the face.

Luo Shi's face immediately swelled up as her mind went blank. "Darling, you... You Hit Me?"

“HMPH! I hit you, you slut! If not for you urging me to bring that rebellious daughter back, how could there be so many terrible things happening? ! Now that the Zhao family has joined forces with your Luo family, our Mo family will be devoured by your Luo family sooner or later. You Traitor Slut!”

Mo Cheng had been displeased with Luo Shi for the past few days. Now, he had vented his anger from the beating on her.

Luo Shi more or less knew of Luo Pingsheng’s plans. Luo Pingsheng had also promised her that even if the Mo family was destroyed, he would give her and Mo Cheng a substantial portion of the family’s assets. She was already unhappy with Mo Xiaoting and Old Madam Liu, she couldn’t wait for the Mo family to be destroyed!

In the past, Luo Shi would have covered her tracks and coaxed Mo Cheng with good words. However, she had been extremely disappointed in Mo Cheng these past few days. Now that she had been slapped in the face, she couldn’t hold back the jealousy in her heart.

“Mo Cheng, since you’ve put it this way, I’ll tell you the truth. The Luo family is no longer the same as before. Sooner or later, the Mo family will fall.

“If you treat me well, we will still be a loving couple. Regardless of whether the Mo family is around or not, our days will not be bad. “However, if you still dote on those two bitches, then we will part ways!”

Mo Cheng did not react for a long time. Although he was unhappy with Luo Shi taking care of the two concubines, he still believed in his heart that Luo Shi would not do anything to let him and the Mo family down. He never expected her to say such a thing.

After saying that, Luo Shi also regretted it. However, it was naturally impossible to take back what she had said. Furthermore, she felt that the Luo family would destroy the Mo family sooner or later, so Mo Cheng did not dare to do anything to her.

“You, you slut! I’m going to kill you!” Mo Cheng’s eyes were bloodshot. He hated the ruthlessness of the Luo family, but he was also afraid of the impending annihilation of his family.

“Mo Cheng, if you dare to lay a finger on me again, don’t even think about living!” Luo Shi thought to herself that since they had already fallen out, there was no need to endure it.

Mo Cheng’s hand was still lowered. He was afraid of the Luo clan’s Revenge, and he was afraid of death. Without any hesitation, he made his choice. As long as he coaxed the Luo clan, he could still lead a carefree life, furthermore, the Luo clan’s influence would only grow. Perhaps, he, Mo Cheng, would be even more glorious than he was now.
