

The Yun Family's Ninth Child is an Imp! Chapter 2004

When Zhao Lizhi took off half of his clothes, he felt a little dizzy. He shook his head. Damn it, drinking really messed things up. With a beauty in front of him, how could he be sleepy? !

Although Zhao Lizhi tried his best to stay awake, his head still became heavier and heavier. Finally, he fell on the bed with a plop.

Yun chujiu revealed herself. She curled her lips and got Zhao Lizhi onto the bed.

Yun Chujiu took off the sword that was hanging by the bedside to ward off evil spirits and stuffed it into Luo Yan's hand. Then, she held Luo Yan's hand and stabbed the sword directly into Zhao Lizhi's chest.

Yun chujiu looked at the crime scene that was created and felt that it was perfect! Although the Black Lotus Skill was evil, it had to be said that using it to torture dregs was really sour and refreshing!

This fellow opened the window and dissipated the remaining smell of the stun powder in the house. He took out the antidote and waved it in front of Luo Yan's nose. After removing the jade pendant from Zhao Lizhi's waist, he swaggered out of the bedroom.

Yun Chujiu threw Zhao Lizhi's jade pendant on the bluestone slab in the courtyard. Then, she went to the side room and gave the two maids a whiff of the antidote before concealing herself.

The corners of this guy's mouth curled up. He went to the neighboring courtyard, lit a fire, and then left.

This guy had already calculated that after the fire was ignited, everyone would definitely come to put out the fire.

At this time, the medicinal properties of Luo Yan and the two maids had just passed. When the time came, they would definitely scream. The people who put out the fire thought that something had happened, so naturally, they would run over. Luo Yan had no time to hide or hide the news of Zhao Lizhi's death.

TSK TSK, the scene would definitely be very exciting. It was a pity that the time limit of the Shadow Escape Talisman was limited, so they could not watch the live broadcast.

Things were exactly as Yun Chujiu had expected. After the fire started, Luo Pingsheng and second elder Zhao hurried over.

Second Elder Zhao was still puzzled. Where did this kid, Lizhi, go? Why did he take so long to relieve himself? Could he have returned to the guest house when he was sleepy?

While everyone was putting out the fire, they heard a few screams coming from the neighboring Luo Yan's courtyard.

Luo Pingsheng was shocked. He wanted to enter the house to take a look, but after all, men and women were different. He could only ask from outside the house, "Yan 'er, Yan 'er, what happened?"

"No, it's nothing, grandfather. I just had a, a nightmare!" Luo Yan's trembling voice came from inside the house.

Although Luo Pingsheng felt that something was amiss, he couldn't ask too much. Just as he was about to leave, second elder Zhao found the jade pendant on the ground.

"Isn't this the jade pendant of determination? Why is it here?" Second Elder Zhao blurted out.

Luo Pingsheng's head buzzed. Could it be that Yan 'er and Zhao Lizhi were having an affair? How was this possible? They had only met once!

Second Elder Zhao clearly shared the same thoughts as Luo Pingsheng. He could not help but blame his nephew. No matter how impatient he was, he should not have provoked the Luo family's young lady. How was this going to end?

Luo Pingsheng took a deep breath and dismissed his subordinates. Only he and second elder Zhao were left.

“Yan ‘er, there are no outsiders now. Come out with young master Lizhi!” Luo Pingsheng secretly hated Luo Yan for being muddle-headed. That Zhao Lizhi was not a good person. How could he fall for her? !

After Luo Pingsheng finished speaking, there was no response from Luo Yan. He felt that something was not right. He gritted his teeth and pushed open the door.

A strong smell of blood came from inside. Two maids were kneeling on the ground, shivering.

Luo Yan was wearing a tunic and sitting on the bed with a pale face. Beside her was a man with a shining sword stuck in his chest.
