

The Yun Family's Ninth Child is an Imp! Chapter 2028

Hei Shi and the others were dumbfounded!

The violent wind-blade bear was also dumbfounded!

Oh My God, this, this little girl is too strange! ! How could she conjure so many spiritual beasts? ! Moreover, these spiritual beasts could actually, actually devour its wind blades for their own use, it was too abnormal!

The violent wind-blade bear was also too shocked. Logically speaking, you are in a fight, you are not here to watch the show, you should pay more attention! This fellow, on the other hand, stared at the spiritual piglets with his big eyes and didn't move at all.

Those spiritual piglets were very smart, and a few of them pounced on the violent wind-blade bear.

The violent wind-blade bear only reacted when it felt pain, and began to use its bear paw to hit the spiritual piglets on its body.

The other spiritual piglets also pounced on the violent wind-blade bear when they saw this. Some bit their ears, some bit their nose, and some bit their tails..

The Windblade Bear was in pain and anxious. Its wind blades could only be used to attack from a distance. It could only use its paws to hit the bear and even roll on the ground.

Yun chujiu could have used her spiritual needles to attack the Windblade Bear's weak parts and take its life. However, it wanted to keep it as a sparring partner, so it used purple lightning to strike the Windblade Bear's big head.

The Windblade Bear was really unlucky!

A few tufts of its fur had been bitten off by the spiritual piglets, and black smoke kept coming out of its big head. It was in a very sorry state.

The Windblade Bear was so angry that it gnashed its teeth. However, it felt that after this wave of spiritual piglets dissipated, Yun chujiu could not release another wave immediately. At that time, it would use this opportunity to kill Yun Chujiu.

Unexpectedly, once the spiritual power piglets dissipated, Yun chujiu would immediately release new spiritual power piglets to replace them. There were still twenty spiritual power piglets on the violent wind-blade bear's body that were biting it.

A moment later, Yun Chujiu took out a basin of water from her storage ring and threw it at the violent wind-blade bear, then, she giggled and said, "Little Bear, how is it? Do You Feel Cool? I'm a man of my words. You are now a bald little bear! hahaha!"

The violent wind-blade bear touched its head with its paw and indeed, it became naked. It was so angry that it roared and pounced on Yun Chujiu!

It was so angry that it was going to go crazy. It did not care if it still had the piglet of spiritual power on it. Anyway, it would not be able to bite it to death in a short time. It would first kill this stupid girl.

"Yo, Little Bear, are you very satisfied with your new hairstyle? Since you like it so much, how do you feel if I shave all your fur? "Are you surprised? Are you surprised?" Yun Chujiu jumped up and down as she dodged, she said with a smile.

Surprise, my ass!

The violent wind blade bear was so angry that it forgot to use the wind blade. It roared and chased after Yun Chujiu. It only had one thought in its mind, and that was to kill Yun Chujiu to get rid of its shame!

Damn it, there was no way to see a beast anymore!

In tens of thousands of years, it was the first demon beast to have its head shaved off. It was hopeless!

Yun chujiu was running while mumbling, “Little Bear, you don’t have to thank me too much. The thing I like to do the most is to help others. Ah, no, it’s to help beasts!”

“Little Bear, how nice is this bald head. Isn’t there a good saying? A smart head doesn’t have hair. This bald head is a symbol of wisdom!”

“Besides, it’s not as cool as having hair! It can even be illuminated at night. It’s simply a good thing to kill two birds with one stone!”

..

Two hours later, the Windblade Violent Bear’s huge body crashed to the ground, and it actually fainted out of anger!
