

The Yun Family's Ninth Child is an Imp! Chapter 2043

An Feng's eyes were wide open. God, did I hear something that I shouldn't have? Is it too late to cover my ears?

"Black Thing, you, you shut up!" Di beiming said with a gloomy face.

Yun chujju blinked her eyes, "Prince Charming, didn't you ask me to say it?"

"You! You! I asked you to admit your mistake, but who knew that not only did you not realize your mistake, but also, you were simply too stubborn!" Di beiming stood up and said angrily.

"Didn't I say that I was muddle-headed because I didn't wake up just now? Besides, didn't I also not draw? Is there a need for you to be so angry? ! Also, I already said that I won't say it, but you had to let me say it. Are you blaming me?" Yun Chujju had an innocent look on her face, she didn't say anything but insisted on saying it. After saying that, she turned hostile again. was there something wrong with this gigolo? !

"I asked you to admit your mistake of taking the risk to enter the core area of the forest. Who, who asked you to say such nonsense? !" Di beiming felt a little pain in his head.

Yun chujju blinked her eyes and then covered her mouth. So she had misunderstood? She was so unlucky that she confessed!

This guy regretted it!

Especially when he saw di beiming was so angry that he wanted to strangle her to death, he said guiltily, "That, that Prince Charming, misunderstanding, misunderstanding, this is all a misunderstanding! I will admit my mistake now. Under your guidance, I have fully realized my mistake.

"I shouldn't have been complacent just because I achieved a little result. I shouldn't have rushed to my death knowing that I was in danger. I was wrong. In the future, I will listen to my Prince Charming obediently and train hard. I will never be lazy.., "And I will never do such a risky thing!"

Hearing Yun Chujiu's words, Di Beiming's expression softened a little. However, when he remembered what happened just now, his face turned gloomy again. "Let's Go!"

"Don't! Prince Charming, we haven't even had breakfast yet! We are iron rice and steel. I am so hungry after not eating! Prince Charming, I am so hungry!" Yun chujiu grabbed di beiming's arm and said pitifully.

Di beiming really couldn't Stand Yun Chujiu's coquettishness. He could only snort coldly, "It won't happen again!"

“There won’t be a next time! I promise!” This guy silently gave himself a thumbs up. Damn, it wasn’t easy. The gigolo was becoming more and more difficult to deal with.

During breakfast, even though Yun chujiu was very attentive, di Beiming’s face still didn’t look good. Yun Chujiu silently ridiculed him. Could it be that the gigolo’s menopause had come early?

This fellow thought of a good idea, which was to let Xiao Heiniaoh come out to share di beiming’s anger. After all, this fellow was the main culprit.

Xiao Heiniaoh did not sleep last night because it was worried that di beiming would not let it off easily. It thought of countless kinds of torture, and it almost scared itself into insanity!

After Yun Chujiu let Xiao Heiniaoh out, she did not speak for a long time.

Not only was she stunned, even di beiming and an Feng were stunned!

What the hell was this? !

Yun chujiu had been busy running for her life, so she did not notice Xiao Heiniaoh’s new appearance.

If the Xiao Heiniaio from before was like a young fire-breathing crow, now it was like a fat fire-breathing crow!

Yun chujju even wondered if Xiao Heiniaio's two short wings could still fly?

Yun Chujiu thought that the Black Phoenix she saw yesterday must be an illusion. How could this guy be such a high-class Phoenix? This guy was a foodie!

Xiao Heiniaio misunderstood everyone's meaning. It thought that everyone was shocked by its new look. A hint of pride flashed in its pea-sized eyes. For this new look, it was worth being tortured by a gigolo!
