

The Yun Family's Ninth Child is an Imp! Chapter 2058

Mo Xiaoting looked at manager Liu, who was missing two front teeth, and the corner of his eye twitched, "Since it's a misunderstanding, let's turn the tables! Someone, take manager Liu and his entourage to the guest house to rest."

Just as manager Liu was about to turn around and leave, he heard Yun chujiu say, "Manager Liu, are you leaving just like that? You broke one of our teacups and gave me a fright. Don't you want to express your gratitude?"

Manager Liu staggered. He couldn't believe his ears!

What?

I broke one of your teacups? ! You were the one who smashed it, alright? !

You were frightened and even my front teeth fell out. Who Am I going to look for? !

However, when he saw Yun chujiu waving the large kitchen knife twice in her hand, his old face smiled like a flower and said, "Miss FANGCAO, then, then how many spirit stones do you think you need to compensate me?"

“Not too much. After all, you don’t have much savings as a servant. I’ll give you a 99-81 discount. You just need to compensate me with one million spirit stones,”Yun Chujiu said with a smile.

Manager Liu widened his triangular eyes and said angrily, “Miss FANGCAO, don’t go too far! Why Don’t You Rob Me of One Million Spirit Stones? !”

Yun chujiu glanced at him and took out the recording stone from her storage ring. Manager Liu’s voice came out from it, “Of course this is my intention. I’m just a small manager, how could I dare to make the decision on my own...”

“TSK tsk, manager Liu, tell me, when I hand this over to my family, will it be fun?”Yun Chujiu said with a half-smile.

Fun your head!

Manager Liu was so angry that he was going to die!

This insidious little B * Tch actually recorded it. If she really brought this up, the higher-ups would definitely punish him severely.

Manager Liu took a deep breath, “Miss FANGCAO, should I give you 1,000,000 spiritual stones and you’ll erase the content?”

“Of course. As long as the money is in place, there’s no problem that can’t be solved,”yun chujiu smiled brightly as she received another small sum of money.

Manager Liu gritted his teeth and transferred 1,000,000 high-grade spiritual stones to Yun Chujiu. He then stared at Yun Chujiu as she erased the content of the recording. Only then did he angrily follow the servant to the guest house.

Yun chujiu crossed her legs and said to Mo xiaoting, “Grandfather, sometimes you have to be a little more aggressive when dealing with enemies. Otherwise, everyone will think that we are easy to bully.”. Although the Zhao family was powerful, they were still on the eastern continent. They would be suppressed by all sorts of forces. He would not send people to destroy us for no reason.

Besides, he still had to make a name for himself. He couldn’t bear the notoriety of killing his own family. Besides, since he had already spoken to the Zhao family, he couldn’t go back on his words and ask them to deal with us. So, you don’t have to worry about that B * Tch Liu complaining.

Even if we treat him with respect, he might not speak up for us. He might even scold us behind our backs for being weak and easy to bully!”

Mo Xiaoting’s heart shook. He had never thought about Yun Chujiu’s words because in his heart, his family was like a retired emperor that he couldn’t afford to offend.

But, after hearing Yun Chujiu's words, he realized she had a point. His family wasn't as scary as he thought. Furthermore, Guang Shunzhi had already contributed to the seven star Lucky card business. What else did they want? !

Mo Xiaoting felt a little relieved, but he was still a little worried, "Fang Cao, although what you said makes sense, what if manager Liu does something bad when he takes over the seven star Lucky Card?"

"Grandfather, don't worry! I may have erased the contents of the recording stone, but I recorded three at the same time. If he doesn't behave, I will teach him a lesson,"Yun Chujiu said with a smile.

Mo xiaoting..
