

## The Yun Family's Ninth Child is an Imp! Chapter 2062

In the end, the family decided that manager Liu would be in charge of the specific matters on both sides for the time being. After all, he was quite experienced.

When manager Liu heard the news, he was not overjoyed. Instead, he almost fell to the ground!

His heart was rejecting it!

Because, through this period of contact, he had already confirmed and was absolutely certain that Yun Chujiu was a demon who ate people without spitting out their bones!

Have you ever heard of someone making multiple copies of a recording stone?

Yes, it was that little demon! She had already extorted 5,000,000 high-grade spirit stones from her. Who knew how many copies she had made? She was going to kill herself!

This stupid girl was as smart as a demon! She was simply Inhuman!

Manager Liu's heart was filled with tears as he came to the Mo residence to see Mo Xiaoting and Yun Chujiu. His attitude was completely different from before. Even when he sat on the chair, he only dared to sit on half of his butt, afraid that Yun Chujiu would find fault with him.

After Mo Xiaoting said a few polite words, Yun Chujiu said, "Manager Liu, it seems like fate has brought us together. It looks like we are going to be working together for a long time. Are You Happy?"

Manager Liu gritted his teeth and said, "Yes, yes, I'm very happy."

"Manager Liu, you don't have to worry about what happened in the past. As long as you know your place, I can make countless 5 million dollars into your pocket." "However, if you don't know what's good for you, don't you think it's normal for an accident to happen since the western continent is so big and you brought so many good things here?" Yun Chujiu said with a faint smile.

Manager Liu almost collapsed to the ground. Of course, he could hear Yun Chujiu's hidden meaning. If he was not honest, this little devil would send people to kill him.

Although he would bring a few guards to protect him in the future, if he was careless, this little devil might find an opportunity. Moreover, this little devil would definitely keep his word.

"Miss FANGCAO, you, you can rest assured. I know what to do." Manager Liu said while wiping his sweat, afraid that Yun Chujiu would really find a reason to kill him.

“Why Are You So Nervous? I’m just saying. No matter what, you are still a member of my family. I don’t dare to do anything to you. Let’s discuss the specific matter!”Yun Chujiu said with a smile.

Manager Liu cursed in his heart, you don’t Dare? If you don’t dare, then how did I lose my front teeth? If you don’t dare, then how did my five million high-grade spirit stones end up in your pocket?

As Yun Chujiu had prepared everything well in the beginning, the rest of the matter went smoothly. No matter what Yun Chujiu said, manager Liu only nodded his head in agreement.

Mo Xiaoting couldn’t help but laugh and sigh. If it wasn’t for Fang Cao, manager Liu would probably still have an arrogant look on his face. The wicked had their own ways. It made sense!

Over the next period of time, the Mo family’s business flourished. With the support of the Mo family, even the envious ones did not dare to provoke them.

Mo Peng and Mo Chang could not help but be convinced. After all, they had more money than before. As for Mo Cheng, although he still did not like Yun Chujiu, with Mo Xiaoting around, he did not dare to say anything. As a result, Yun Chujiu’s life was exceptionally comfortable.

In the blink of an eye, it was the ninth day of the seventh month, Yun Chujiu’s 18th birthday.

Mo Xiaoting naturally would not let go of this opportunity to make Yun Chujiu feel grateful towards the Mo family. So, he held a grand birthday banquet for Yun Chujiu.

The Mo family invited many business partners and important people. That night, the Mo residence was bustling with activity.
