

## The Yun Family's Ninth Child is an Imp! Chapter 2135

The “Weak”yun chujiu was carried back to the new moon pavilion. Mo xiaoting asked a few more questions, but Yun Chujiu’s story remained the same. This fellow’s lying skills were extremely good, so mo xiaoting naturally did not find anything wrong with it.

Yun Chujiu told Mo xiaoting the contents of her conversation with the first elder. Mo xiaoting was naturally pleasantly surprised, but then he remembered that the eastern and western continents were being coveted, so he was both happy and sad, he didn’t know whether he should be worried or happy.

After Mo Xiaoting left, Yun Chujiu quickly sat up on the bed and took out the jade plate and storage ring that the masked man had left behind.

Most of the jade plate had been destroyed, leaving behind only a few pieces of debris. When they were put together, it was impossible to tell what was inside. All she could tell was that it was carved out of the best ten-thousand-year-old Cold Jade.

She then sent her divine sense into the storage ring and found that there were about ten million high-grade spirit stones, some spirit tools, and talismans. What made her most happy was that there was also a shadow escape talisman inside.

Yun chujiu wanted to find something about the identity of the masked man, so she rummaged through it and finally found two sets of clothes. There was an ancient character embroidered on the lower right corner of the clothes.

Yun chujiu recognized this ancient character. It was “Ye”!

Yun Chujiu’s eyes darkened. Ye? Ye Family? Could it be that the masked man was sent by the Ye Family?

Yun Chujiu touched her chin. Things were getting more and more interesting. Logically speaking, she was only the daughter of a concubine who had been expelled from the Ye family. She would not be an eyesore to the ye family at all. However, someone could not sit still and wanted to kill her as soon as she arrived at the eastern continent. It seemed that there was indeed an inside story behind her mother’s expulsion.

Yun chujiu rummaged through her storage ring again. She didn’t find anything else about the identity of the masked man, so she put the storage ring away.

Yun chujiu thought for a while. Since someone from the Ye family had the intention to kill her, they would definitely not let it go. It seemed that she had to quickly gain the trust of the great elder before heading to the academy or a large sect.

When she arrived at a famous academy or a large sect, at least the ye family wouldn’t dare to act recklessly again. Moreover, they could learn some self-defense skills.

Yun chujju thought of the purple piglet that saved her life again. With a wave of her palm, several piglets of spiritual power were released. Just as the piglet of spiritual power was about to disappear, the purple piglet appeared again.

The purple piglet waved its big ears at Yun Chujju, looking very cute.

Yun chujju couldn't help but show her little white teeth. Although she knew that she couldn't communicate with the purple piglet., however, she still smiled and said, "Although I feel that my high-level spiritual beast is a little cowardly, but you saved my life today, so I think you are still not bad."

The purple pig rolled its eyes and disappeared with a puff.

Yun chujju could not help but stare. Aiyo! Shouldn't spiritual beasts disappear when their spiritual power is exhausted? Why did her spiritual beast disappear just like that?

Could it be that it could control the time when it disappeared? What the hell!

Yun chujju waved her palm again. She did not expect that when the spiritual piglets disappeared this time, the purple piglet did not appear. Yun Chujju tried a few more times, but the purple piglet still did not appear.

Yun Chujiu was furious. “F \* ck! Purple Piglet, I’m warning you. If you don’t appear again, don’t ever appear again! You’re a spiritual beast, and you’re still going to be arrogant with me?”

Even Xiao Hei, that Black Phoenix, doesn’t dare to show off in front of me, but you dare to show off in front of me? ! I think you’re looking for trouble? ! Let me tell you, don’t think that I can’t Teach You a lesson. I’m a genius with a heavenly thunder spirit root, and I don’t believe that I can’t summon other spiritual beasts. Do you think that I care about a pig like you? !”
