

The Yun Family's Ninth Child is an Imp! Chapter 2146

"Ghosts! Ghosts!" Mo Fangjiao screamed in fear.

"Sister Fangjiao, are you possessed? Where is the female ghost? Besides, is there such a beautiful female ghost?" Yun Chujia curled her lips and said.

Mo Fangjiao had just woken up and was a little confused. Now that she looked carefully, she realized that the "Female ghost" in front of her was Yun Chujia.

"You, why are you letting your hair down for no reason?"

"Sister Fangjiao, what time is it? Isn't it normal for my hair to be let down when I Sleep?"

"Then, then what's wrong with your lips? Why are they swollen?"

Yun Chujia finally understood the look in an Feng's eyes before he left. It turned out that the battle with Di Beiming was too intense and his lips were red and swollen, this guy said without changing his expression, "Ah, don't mention it! I suddenly had a craving for spicy food. I ate a lot of spicy food just now, so my lips became like this!

“I opened the door for you just now because I was afraid that you would see me embarrass myself, so I hid behind the door. “Who would have thought that Sister Fangjiao would faint? You scared me to death! “Are You Alright? “Did you leave in a hurry or are you hungry because you didn’t eat tonight?”

Mo Fangjiao was also frightened and didn’t recall the details. Moreover, she never dreamed that she was knocked out by someone. Therefore, Mo Fangjiao was confused. Why did she faint for no reason?

“Sister Fangjiao, I guess you are hungry. Come, I have some snacks from the main room. Eat a few pieces.”Yun chujiu took out a plate of pastries and placed it on the table.

Mo Fangjiao really wasn’t full that night, so she casually picked up a piece and ate it.

Yun Chujiu’s eyes flickered a few times. As long as she ate something, the sleeping powder wouldn’t be detected. Even if she wanted to check, she wouldn’t be able to find anything.

Mo fangjiao ate two pieces of pastries and remembered the purpose of her visit. She hurriedly said, “Tomorrow, Sister Fangbing’s maternal family and Zhu family’s relatives will come. Have you heard?”

Yun chujiu shook her head. “I’ve been studying alchemy in the Great Elder’s study today and haven’t seen sister fangbing. Besides, what does her maternal family have to do with us?”

Mo Fangjiao pursed her lips. "Are you stupid? Why doesn't it have anything to do with us? ! Sister Fangbing's maternal family is a second-class family. Maybe she came here to look for a suitable junior. This is a good opportunity for her to soar to the sky "Tomorrow, you find an excuse to bring me along, do you understand?"

Yun chujia finally understood why Mo Fangjiao came to look for her in the middle of the night. It turned out that she wanted to turn from a sparrow into a phoenix. TSK TSK, I have to say, Mo Fangjiao's brain was still enough on this matter. She knew that she would create an opportunity for herself.

"Sister Fangjiao, although this matter is a little difficult, but who is with whom? No problem. Leave this matter to me! Tomorrow morning, you and I will go to the main room together." Yun chujia promised with a smile.

Mo Fangjiao saw that Yun chujia agreed so readily and was very satisfied. She did not have the time to pursue the matter of her fainting just now. Her mind was full of thoughts on how to dress for the next day.

Mo Fangjiao gave a few more perfunctory words and then left in a hurry.

Yun Chujia did not bother about Chun Xiao and Chun Yue. In any case, the two of them would wake up tomorrow morning.

This fellow was lying on the bed, suffering from insomnia that was hard to come by in a thousand years.

She thought about di beiming, looked at her right palm, and thought about the matter between the ye family and the merman. She felt very troubled and did not feel sleepy for a long time.

However, this fellow's mental adjustment ability was very strong. After a while, he finally fell asleep.
