

The Yun Family's Ninth Child is an Imp! Chapter 2149

Pan Shi's proposal for a second marriage was just a bargaining chip.

Even if it was a second marriage, it would still be a second marriage for the son of a second-class family. Moreover, the late wife did not leave behind a man and half a woman, so this marriage was no different from a legitimate marriage.

Therefore, in the eyes of many people, marrying Zhu Jinghu as a second marriage was a great thing.

The Zhu family's plan was very obvious. They planned to let Mo fangbing marry into the family. She had once tried to fix up this matter, but the Pan family did not care about the Mo family's family background at all, so she directly rejected it.

A few days ago, during Mo Junkun's wedding, Mo Yonghui had drunk too much and spilled the beans. He said that the great elder had a seven leaf hollow grass. The Zhu family felt that this was a great opportunity, so they sent a letter to the Pan family, that was why the Pan family brought Zhu Jinghu over.

Although Mo Xiaoquan was a little displeased with the arrogance in the Pan family's words, he didn't take it to heart. After all, the Zhu family was a second-class family, while the Mo family was barely a third-class family. The two families' strengths were vastly different.

Mo Xiaoquan said in a deep voice, "How about this? You guys stay here first. I'll go ask my father if he has the seven leaf hollow grass. Then, we can discuss the next matter."

Hearing Mo Xiaoquan's words, Pan Shi had a 90% confidence that the Mo family's great elder really did have the seven-leaf hollow grass. This was also good. If she got the seven-leaf hollow grass, she would be able to win the favor of her mother-in-law. As for Mo Fangbing, although her family background was a little poor, her aptitude was not bad. Moreover, Jing Hu was not the eldest son, so the candidate for a second marriage was about right.

Pan Shi politely said a few words, then got up and planned to bring Zhu Jinghu to the guest house. Unexpectedly, Zhu Jinghu walked up to Mo Fangjiao and pretended to be suave as he said, "Sister Fangjiao, this is my first time coming to Fu Hu city. If you have nothing to do, accompany me for a walk!"

Everyone in the room was stunned. Mo Fangbing's eyes were practically spitting fire! This Mo Fangjiao was indeed a shameless slut. She dressed beautifully just to seduce her cousin. She really deserved to die!

Pan Shi frowned. If Jing Hu wanted to marry, he could only marry Mo Fangbing. This was because only the Mo family's eldest son had seven-leafed hollow grass. Moreover, this Mo Fangjiao was obviously restless. She was not worthy of marrying into the Zhu family.

"Jing Hu, let your cousin Fangbing accompany you for a walk! If it's convenient for these two ladies, they can accompany you. If it's not convenient, then it's not troublesome." Pan Shi's words were vague, however, the subtext was to tell Mo Fangjiao and Yun Chujiu to get lost and not to be an eyesore.

Mo Fangjiao wanted to marry into the Zhu family, so how could she let go of such an opportunity? She pretended not to understand Pan Shi's meaning and quickly said, "Auntie, I happen to be free today, so I'll accompany Jing Hu for a walk."

Yun Chujiu's mouth twitched in her heart. This Mo Fangjiao really had a brain. Lady Pan did not take a fancy to her at all. Moreover, this was a transaction between the Zhu family and the big house. No matter how happy she was, she would not marry her. What was the point of her being proactive?

However, this fellow liked to fan the flames and fish in troubled waters the most, so she echoed from the side, "Yes, I don't have anything to do. Let's go together! It can just resolve the misunderstanding between me and young master Zhu."

Mo Fangbing's hands were tightly clenched in her sleeves. Mo Fangjiao, Mo Fangcao, these two B*tches, I won't let you off!

Zhu Jinghu was rather pleased with himself. Of course, he knew that the Pan's wanted him to marry Mo Fangbing, but he felt that Mo Fangbing's ice-cold personality was really not interesting. She was not as pleasing to the eye as Mo Fangjiao. As for that Mo Fangcao, it was fine to follow. It was a good opportunity to take care of her when the time came!
