

The Yun Family's Ninth Child is an Imp! Chapter 2162

The first elder explained the situation to Mo Xiaoquan. Although Mo Xiaoquan was extremely unwilling, he did not dare to go against the first elder's wishes, so he asked Mo Xiaoan to handle the matter.

Mo Xiaoan did not dislike Yun chujiu as much as Mo Xiaoquan did. Mo Fangjiao had been putting in a good word for Yun chujiu recently, so Mo Xiaoan did not mind Yun chujiu staying. At most, he would only provide her with some food.

Mo Xiaoan immediately explained Mo Xiaoquan's intentions to Mo Xiaoting. Mo Xiaoting was already mentally prepared, so after some pleasantries, he brought Yun Chujiu to the border between the eastern and western continents.

This time, manager Liu accompanied them. Manager Liu was now completely in awe of Yun Chujiu!

TSK TSK, this young lady was simply a god. She had only been here for a month and had already settled the first elder. Who knew, she might soon become an official resident of the eastern continent.

Mo Xiaoting, on the other hand, had a lot on his mind. Yun chujiu was so smart, when no one was around., so, he asked in a low voice, "Grandfather, are you worried that I will only care about myself and not our Guangshunzhi? Don't worry, I am not the type of person to ignore my family. Besides, I want to establish myself in my own family. If I don't have the support of Guangshunzhi, I am nothing!"

Although Mo Xiaoting felt that Yun Chujiu's words were a little unrefined, he was at least a little relieved.

It made sense. If it wasn't for Guang Shunzhi, Fang Cao would have no one to rely on. Moreover, her mother's grave was still in Guang Shunzhi's ancestral grave. She would never be ungrateful.

Eight days later, the flying spiritual device arrived at the border between the eastern and western continents.

After Mo Xiaoting handed in the temporary pass, he gave Yun chujiu a few instructions. After crossing the border between the two continents, he found the Mo family's guards and reluctantly left.

Hei Shi and the others did not see Yun Chujiu, so their hearts were in a mess. They used their courage to ask Mo xiaoting a question. After finding out that Yun Chujiu was safe and sound, they felt relieved. However, they were a little disappointed. Would the little ancestor who promised to take them on a pretentious flight abandon them?

On the other side, Yun Chujiu brought manager Liu to the staff on duty and prepared to renew a temporary pass for Yun Chujiu.

The leader on duty today was a slightly hunched middle-aged man. Usually, he was very flattering the people who came and went, so he was very arrogant.

Seeing the Mo family token that manager Liu handed over, she couldn't help but curl her lips. "Mo Family? A third-class family just can't do it. A second-class family only has a pass for four months, and a third-class family only has two months. The two of them added together can only last as long as one of them."

Yun Chujiu's eyes suddenly lit up, and an idea suddenly came to her mind.

"Sir, may I have a word with you?" Yun Chujiu said with a smile.

Hunchback pursed his lips, but still brought Yun chujiu to the side. "Little girl, What's the matter?"

"Sir, I Won't hide it from you. I know some face-to-face skills. One look and you can tell that you are an extraordinary person. Sooner or later, you will amaze everyone!" Yun Chujiu said with a face full of admiration.

The hunchback looked at Yun chujiu suspiciously, he couldn't help but sneer, "Little girl, you are simply lying through your teeth. I know my own limitations. Let's not talk about other things. I am a hunchback. What good fortune can I have?"

“Sir, what you said is wrong. Haven’t you heard of a saying? A hunchback carries the universe! Your hunchback is very particular. This means that you are a person with great fortune, which is why your back bulges.

To put it bluntly, the reason why B * stards live longer is because of a hunchback! Therefore, your hunchback definitely has a hidden meaning. Believe me, sooner or later, you will rise to the top!”Yun Chujiu said mysteriously.
