

## The Yun Family's Ninth Child is an Imp! Chapter 219

The man in red was stunned for a moment before he laughed out loud. "Die of old age? Creative! As expected of the skull that I took a fancy to! You want to die of old age? It's very easy. I have the aging pill here. As long as you take it, you'll become an old woman in fifteen minutes!"

As the man in red spoke, he took out a pill from his storage ring and stuffed it into Yun Chujiu's mouth.

Yun Chujiu obediently took the pill and her little face scrunched up. "My Lord, I've already taken the pill. Can you release me from my confinement? This is my only wish before I die."

The man in red waved his hand. "I'll satisfy you. I've always been very generous to beauties I like."

Yun Chujiu moved her limbs and sure enough, there were no obstructions. She secretly communicated with Little Black with her consciousness and then ran away.

The man in red was stunned. Just as he was about to chase after her, he suddenly stumbled and almost fell. When he stood up, Yun Chujiu had already ran more than a thousand feet away.

"You dare to lie to me? You're really courting death! I'll cut you into pieces!" The man in red curled the corner of his mouth and formed a seal with his hands. He threw several huge wind blades at Yun Chujiu.

Just as those enormous wind blades were about to slash onto Yun Chujiu's body, the jade pendant in Yun Chujiu's hand emitted a dazzling light, forming a spiritual energy barrier that enveloped Yun Chujiu! Those wind blades were unable to even go half a step near her.

The red-clothed man was stunned. This little beauty had quite a number of treasures on her. Although he did not use his full strength, ordinary spiritual weapons were unable to block his attacks.

Yun Chujiu took this opportunity to run as fast as she could. As she ran, she shouted, "Someone! Help! There's a red-clothed pervert who wants to rob the spirit herb garden!"

Just as the man in red was about to chase after her, the black-clothed man behind him said respectfully, "Young Master, don't chase after the enemy. Our spiritual power is limited in the Qingxuan continent. If those elders rush over later, we'll be outnumbered and won't be able to take them on."

"Forget it. She can live for three days at most after taking the aging pill! Take it as the price for deceiving me! It's just a pity for that perfect skull! I originally planned to make a few of them just like that for me to play with. Since she wants to court death herself, then I can only blame her bad luck!" The man in red smiled wickedly. Then, he took out a skull from his storage ring and played with it.

"Young Master, since you only planned to imitate the little girl's skull, why did you have to scare her? If you were to tell the truth, she wouldn't have run away!" the black-clothed man asked in confusion.

"Do I need to explain what I'm doing to you?" The smile on the red-clothed man's face instantly disappeared, and he stared at the black-clothed man gloomily.

"Your subordinate is guilty!" The black-dressed man took out a dagger from his storage bag and stabbed it into his abdomen.

The red-dressed man waved his sleeve, and the black-dressed man's dagger fell to the ground. "This will not happen again!"

At that moment, the sound of footsteps could be heard, and the red-dressed man and the black-dressed man instantly disappeared from where they were.

When Manager Gao came with a group of disciples, they did not see a single shadow.

Ding Lang pursed his lips. “Yun Chujiu, where’s the red-clothed pervert? Could it be that you’re playing a prank again?”

Yun Chujiu could not be bothered with him. She said to Manager Gao, “Manager Gao, Elder Qi isn’t here, and those two people have great spiritual power. It’s better to quickly report this to peak master! I’m afraid that they’ll do something bad in Spirit Radiance Sect!”

Manager Gao saw that Yun Chujiu’s face was ashen white, and he did not think that she was lying. He quickly reported this matter to Peak Master You.
