

The Yun Family's Ninth Child is an Imp! Chapter 2212

Seeing that Xue Wuji's attitude was so good, the teacher didn't say anything more. He gave a few instructions before leaving.

The teacher returned to his original spot and suddenly frowned. Something wasn't right! ! Why would their group 250 be tired in the third round? !

They had only dealt with two demon beasts. In the end, they rode the bloodthirsty wind blade wolf to the slope. How could they be tired to the point of wanting to sleep? The other teams were much more tired than them, but they didn't see Xue Wuji sleeping either! This Xue Wuji was really too lazy. It was difficult for him to become a great person!

Xue Wuji didn't care whether he was a great person or a small person. This fellow was very comfortable lying on the recliner. He thought to himself, little sister Jiu is truly insightful. This lousy inheritance is yours if it's not yours. Even if I'm exhausted to death, I won't be able to get it!

Just as Xue Wuji was thinking about this, he felt a white light flash before his eyes. His entire body fell off the recliner.

Yun chujiu was shocked. Just as she was about to help Xue Wuji up, she heard the teacher from earlier shout, "Don't touch him! He has obtained the inheritance!"

Yun chujiu..

Heavens!

Did Wu Ji's brain have to be so lucky? He actually obtained the inheritance so quickly?

Everyone present had the same thought. Xue Wuji's comprehension ability was actually so good?

That wasn't right. He was just lying on the recliner and didn't comprehend at all. How did he obtain the inheritance?

At this moment, they heard the teacher say, "Did you see that? You have to learn from Xue Wuji. Even when he sleeps, he thinks about comprehending the inheritance. What about you guys? While comprehending, you might be sleeping!"

The examinees..

At this moment, Xue Wuji had already stood up and started meditating. It was obvious that he was digesting the content of the inheritance.

The teacher said to the crowd, “The higher the level of the inheritance, the longer the time to comprehend it. No one is to disturb Xue Wuji. After he finishes comprehending, he will naturally wake up.”

After saying that, the teacher even glared at Yun Chujiu. The meaning was obvious. He warned her not to disturb Xue Wuji’s comprehending of the inheritance.

Yun chujiu pursed her lips. She was not Xue Wuji’s enemy. How could she have the time to disturb Xue Wuji’s comprehension.

Yun chujiu once again lay on the Recliner, reading the script and nibbling on the fruit.

However, this time, many examinees imitated Yun chujiu and made recliners to lie on. Those who did not have a recliner simply made a chair to lie on.

The reason was very simple. They all thought that Xue Wuji was able to comprehend because he was lying on the deck chair.

Yun chujiu almost choked on the spirit fruit. Did these people have to be so funny? They were really like a dog that drew a tiger instead of a dog. A bunch of idiots!

The faces of the teachers also stiffened, but they did not say anything.

Time passed quickly. In the blink of an eye, three days had passed.

Xue Wuji was still in a meditative position. It was obvious that he hadn't finished receiving the inheritance. The teachers were all abnormally excited. This meant that the inheritance Xue Wuji had received must be of a very high level. The mutated wind spirit root was indeed extraordinary.

In the blink of an eye, it was the eighth day. Xue Wuji was still receiving the inheritance. In addition, other people began to receive the inheritance one after another. However, the time taken to receive the inheritance was very short. At most, it was only a few hours.

Yun Chujiu, on the other hand, could not sit still. Not only did Jin Zhi and Mo fangbing comprehend the inheritance, even Diao Shaoyan had comprehended an inheritance. She was the only one who had yet to gain anything.

Diao Shaoyan said proudly to Yun Chujiu, "Darn Girl, your companions have all obtained the inheritance. You are the only one who has yet to gain anything. "TSK TSK, in the end, everyone else entered the Xingtian Academy. You are the only one who did not pass. Just thinking about it makes me feel sad for you!"
