

## The Yun Family's Ninth Child is an Imp! Chapter 2251

Yun chujiu shook her head. "These little dregs aren't worth mentioning. I'm actually a little worried about the ye family. "A few days ago, I met that Ye Bingyu on the street. I thought she would get into a big fight, but I didn't expect her to be captivated by brother Wuji's beauty."

Di beiming raised his eyebrows. "Captivated by that Idiot Xue Wuji? Is she blind?"

Yun chujiu..

"Prince Charming, brother Wuji is still very good-looking." Yun chujiu felt that the surroundings were a little cold, so she quickly said, "But he is still far from you!"

Di beiming's expression became a little better, and then he asked, "And then?"

"Brother Wuji naturally wouldn't take a fancy to Ye Bingyu. After a few words with her, we left. I feel that Ye Bingyu will definitely not let this matter rest. Fortunately, fighting is prohibited in Tianluo City. As long as I don't leave Tianluo City, she won't be able to do anything to me."

Di beiming frowned. It seemed that the previous warning was too lenient. When he returned, it seemed that he still had to make a trip to the ye family.

Yun chujiu saw that di beiming was deep in thought, so she asked curiously, "Prince Charming, what are you thinking about?"

"Nothing, I just thought of something." Di beiming was actually feeling a little conflicted. On one hand, he wanted to tell her about what happened last time so that Yun Chujiu could praise him. On the other hand, he felt a little embarrassed to say it out loud.

Fortunately, Yun Chujiu was smart. When she saw di Beiming's appearance, she knew that something was wrong. She hugged di beiming's arm, she asked coquettishly, "Prince Charming, are you hiding something from me? Tell me quickly, what is it?"

Di beiming awkwardly told her about the ye family and then said, "It seems that they only broke the door. They don't have a good memory. I will warn them again when I go back."

Yun Chujiu's face stiffened. Pretty Boy, Pretty Boy, although your heart is good, don't you think that your warning is weird? Besides, you only wrote the word "Kill" in ye Bingyu's courtyard. Ye Bingyu might not have thought that it was because of the incident in the psychedelic forest!

However, if she met that little b \* Tch Ye Bingyu again in the future, she could use this incident to teach her a lesson.

After di beiming finished speaking, he was still pretending to be calm as he waited for Yun Chujiu to praise him. In the end, there was no movement for a long time. He lowered his head and saw Yun chujiu rolling her eyes. No one knew what she was thinking.

Di Beiming's heart felt a little stifled. He coughed dryly, "What? Did I do something wrong?"

Yun chujiu was so smart. When she heard di beiming not say "I" but "I", she knew that this tsundere was angry.

"Idol, I am so touched! I am so touched that I am dumbfounded! You Are Too Good to me!" Yun chujiu hugged di beiming and buried her head in his arms as she said coquettishly.

Di beiming suddenly felt his heart light up, and he was a little embarrassed, "It's, it's nothing, I was just passing by."

Yun chujiu secretly pursed her lips. What a Tsundere! She obviously wanted her to praise him, but she still looked sullen.

"Prince Charming, you don't have to go to the ye family to threaten them anymore. If that ye Bingyu dares to provoke me again, I'll teach her a lesson. If she doesn't know what's good for her, you can help me deal with her again." Yun chujiu still didn't know the details of her mother's expulsion, therefore, she didn't plan to touch the Ye family for the time being.

“Alright, then I’ll let them off for the time being. “You should be quite stable in Xingtian Academy recently, so I plan to bring an feng away to temper him. After his spiritual power improves, I’ll let him come back to protect you. “His spiritual power is too low now. He’s simply a trash!” Di beiming said with a frown.
