

## The Yun Family's Ninth Child is an Imp! Chapter 2256

"This heavenly thunder isn't easy to come by. You guys just need to absorb some later. Leave More for your master. It's not easy to get criticized once!" Yun Chujiu looked at the two next to her and said with disdain.

"Master, this isn't right. You're such a big landlord and you still need this little bit of thunder?" Xiao Heiniaoy said with dissatisfaction while staring at the green bean-like eyes.

Although Xiao Mogu did not make a sound, it had already stretched out its mycelium. Obviously, it was prepared to absorb a little more later.

"Alright! Alright! Later, remember to scold the Heavenly Thunder for me. Try to let it strike a little longer!"

"Master, don't worry! I'm the best at Scolding Thunder. You just wait and See!"

..

The Heavenly Dao Cliff really heard it. It felt that Yun Chujiu, that ugly bird, and that Xiao Mogu had all gone crazy!

That Was Heavenly Lightning, alright? It wasn't food, Alright?

And they even snatched it!

Were they all fighting to die? What was wrong with them!

At this moment, Wu Yun was already very thick and heavy. Almost all of them were gathered at the top of the deep valley of Hell.

Rumble!

A purple lightning tore through the sky and struck down towards Yun Chujiu!

Xiao Heiniaoflapped its two short wings and flew with all its might. It was completely satisfied!

“BURP! I feel so good after being struck by the bird! Again, again!”Xiao Heiniaoflashed on the ground unsteadily. One of its wings pointed at the sky while the other supported its stomach as it shouted.

The Heavenly Dao Cliff was simply dumbfounded!

F \* ck!

This ugly bird was actually not struck to death? Moreover, it looked like it was enjoying itself very much. What kind of monster was this?

Wu Yun, who was in the sky, was also a little confused. eh? Wasn't it sent to strike that little girl with the Heavenly Lightning Spirit Root? What was with that ugly bird that was black? Why was there still someone who wanted to be struck by lightning?

However, Wu Yun did not think that it mattered. At most, he would just strike a few more times. In any case, the end result would be the same. Regardless of whether it was that little girl or that ugly bird, they would all be struck into ashes!

Thinking of this, Wu Yun fired another bolt of lightning at the Xiao Heiniaio on the ground.

Unexpectedly, Xiao Mogu used a few mycelium to secretly poke and cut off Xiao Mogu's beard. After Xiao Mogu was struck by the Lightning, his body flickered with a seven-colored radiance, looking very beautiful.

The Xiao Heiniaio was immediately displeased. "Xiao Mogu, no one would do this to you! Do you know that I am the Boss? If you dare to stop me again, I'll decide to eat dirt from now on! I'll swallow all the dirt in the spiritual beast pouch for you!"

The corner of Yun Chujiu's eyes twitched. Eat Dirt? So that's how you eat dirt!

Xiao Mogu felt guilty and buried herself in the dirt, afraid that Xiao Heiniaio would continue to lose his temper.

"Alright, Alright. It's not like there's only one bolt of lightning. If you have the ability, why don't you let Wang Ba Yun in the Sky Strike a few more times? ! Have a bit of the boss's Grace!" Yun Chujiu held back her laughter and said.

Only then did the little black bird let Xiao Mogu go, Wu Yun pointed his short wings at the dark clouds in the sky and said arrogantly, "Bastard, are you a chicken? Can you only lay one egg at a time? No, you're not even as good as a chicken! When a chicken is in a good mood, it can even lay two yellow eggs! You only know how to strike one bolt after another. You're simply Trash!"

The dark clouds in the sky had never been insulted like this. When ordinary people encountered lightning, they would have already knelt down and begged for mercy. However, this ugly bird actually ridiculed Wu Yun for being inferior to a chicken. Even if Wu Yun could endure it, he could not endure it!

Boom! Boom! Boom! Dozens of heavenly lightning struck down in succession.

Heaven Dao Cliff could not bear to watch. That ugly bird was really courting death. This time, it was going to be hacked into ashes!
