

The Yun Family's Ninth Child is an Imp! Chapter 2262

The Heavenly Dao Cliff felt that what Yun Chujiu said made sense. At the very most, they would just be struck by lightning. What else could they do? !

Thus, it had a rough idea of what was going on. Just as it was about to bring Yun chujiu up, it realized that many people had come over, so it didn't move for the time being.

The people who had come were naturally dean Gongsun and the others. Seeing that the dark clouds had dispersed and the sky had returned to normal, they had come to the Heavenly Dao cliff to investigate the situation.

When they arrived at the Heaven Dao Cliff, everything was as usual. They looked into the depths of the valley, but they couldn't see anything.

Everyone looked at each other, wanting to test if the Heaven Dao Cliff had gained sentience. But how should they ask this question?

In the end, it was Dean Gongsun who bowed respectfully and said, "I wonder if the Lord of the Heaven Dao Cliff can hear my question?"

Heaven's Path Cliff cursed inwardly. Damn it, I am not deaf, so of course I can hear you. However, I don't want to talk to these ants, so I am only willing to talk to the Little Lass.

The crowd waited for a while, but when they saw that Heaven's path cliff had no reaction at all, one of the teachers said, "Dean, perhaps Heaven's path cliff has just gained sentience and doesn't know how to speak yet!"

Upon hearing this, Tian Dao cliff became even angrier. You Don't know how to speak! Your entire family doesn't know how to speak!

However, Dean Gongsun felt that what the instructor said made sense. He reckoned that Tian Dao would only know how to speak after a few years, and he couldn't help but feel a little disappointed.

After waiting for a while more, seeing that the sun had already set, they could only take advantage of their excitement and return in disappointment.

After everyone had disappeared, Tian Dao cliff finally brought up a certain Jiu who was eating a meat bun at the bottom of the valley.

Yun chujiu mumbled as she ate, "Little Tian Tian, when you have cultivated to a weapon spirit that can leave your body, I will bring you around to eat delicious food!"

Although the Heaven Dao Cliff was not greedy for these appetites, it was still quite happy when it heard Yun Chujiu's words. It felt as if its life had come to life.

"I won't be able to cultivate for a while. It's fine as long as you have time to talk to me. I Can't be bothered with those little ants. Your words are more interesting."

Yun Chujiu agreed with a smile. Although she initially wanted to use the mentality of the Tian Dao cliff to fool it, this fellow was the most loyal. The Tian Dao Cliff had saved her life, so she naturally wouldn't be ungrateful.

"Little Tian Tian, we will be friends from now on! If you need my help, just let me know. I will do my best to help you."Yun Chujiu said seriously.

"I... I don't need your help for the time being. You should go back quickly! Otherwise, you will be discovered."Although the Heavenly Dao Cliff was simple-minded., however, they could feel that Yun chujiu meant what she said. They couldn't help but feel that the entire mountain was slightly red. Well, it was actually illuminated by the setting sun.

Yun chujiu nodded. When Dean Gongsun and the others came, she had already used the cleaning spell and changed into a new set of clothes.

She checked again and found that there was nothing wrong, so she left the Heavenly Dao Cliff.

It was dinnertime now, so Yun Chujiu did not meet many people when she came down from the Heavenly Dao Cliff.

However, after walking for a while, she met a few people. Those people did not care too much, thinking that Yun chujiu came from another place.

Yun Chujiu sent a message to Jin Zhi to find out that they were in the second grade's Day class classroom. Only then did this guy remember that they were punished to clean the classroom. Although they had paid a handyman, they should at least put on a show on the first day.

Therefore, she strolled to the second grade day class classroom.
