

## The Yun Family's Ninth Child is an Imp! Chapter 2283

"Little Tian Tian, you have even offended Wu Yun. Are you afraid that you will have to bear the consequences?" "Besides, I don't really need your help. I'm just taking precautions." "If you are really in a difficult situation, then forget it. I Won't go to the Ye family."

"Forget it, forget it. I promise you. However, try not to use my strength. After all, once I use my ability, it will definitely alarm Tian Dao. When that time comes, I will be struck by lightning again!"

"Don't worry. I will only ask you for help unless I have no other choice. By the way, how can I contact you?" Yun Chujiu was speaking from the bottom of her heart, it was naturally better not to use the Tian Dao cliff since it was her life-saving talisman.

A small stone flew towards Yun chujiu from the top of the Tian Dao Cliff. Yun chujiu caught it and looked at it. This small stone was ordinary and looked no different from an ordinary stone.

"I'll teach you a chant. When you're in danger, recite the chant silently. Not only will I know your location, but I'll also be able to communicate with you," said the Tian Dao cliff with some pride.

"Little Tian Tian, you're really amazing! I was blind in the past, but you're much more powerful than the Qi ling I've seen before!" Yun Chujiu said half fawningly and half sincerely.

Tian Dao cliff enjoyed it very much. After boasting a few times, he taught the mnemonic to Yun Chujiu.

In order to verify the authenticity of the mnemonic, Yun chujiu immediately recited the mnemonic after she returned to the dormitory. As expected, Tian Dao cliff was impatient but actually said in a smug manner, "Little girl, do you have something to do?"

"Little Tian Tian, I'm just telling you that I've arrived at the dormitory."

Yun Chujiu's heart was practically blooming with joy. She had originally gone to the Heavenly Dao cliff to vent her frustrations, but she did not expect that there would be an unexpected surprise. With this treasure, the Ye family would be able to agree when they sent people again. After all, Liu Bei only visited the thatched cottage three times. If she did not go now, it would be ungrateful.

As expected, half a month later, housekeeper Fu came to see Yun Chujiu again.

"Miss Cousin, the old master has given me his life this time. He must invite you to the Ye family. Please don't make things difficult for me," housekeeper Fu pleaded.

Yun chujiu sneered in her heart and said it politely. However, the guards standing behind her didn't seem to be inviting people. Instead, they seemed to be snatching people.

Housekeeper Fu caught a glimpse of Yun Chujiu's cold expression from the corner of his eyes. His heart couldn't help but beat faster. Could it be that he still couldn't invite her this time? Then he could only use some tricks.

Just as housekeeper Fu was thinking, he heard Yun chujiu say indifferently, "Old Master Ye is my elder, and repeatedly declining it seems that I have no manners. Let me go with you."

Housekeeper Fu was stunned, and then quickly said, "That's great. In that case, cousin Miss, Please!"

Yun Chujiu took out her identity jade token and said to Jin Zhi and Xue Wuji, then slowly walked out of Tianluo City.

Because Tianluo city prohibited flying, they could only take the flying spirit tool outside the city.

"Miss, this time, besides you, Miss Bingyu and Young Master Wenhong will also rush back to the Ye family," housekeeper Fu said from the side.

The corners of Yun Chujiu's mouth curled up. "That's good. I'm old friends with Sister Bingyu. We really hit it off at first sight. So it's because we're related by blood."

Housekeeper Fu was stunned. Miss Bingyu was from the WA Stone Academy. How could this Mo Fangcao be old friends with Miss Bingyu? How could they know each other? Besides, Miss Bingyu's personality was very arrogant. Why would she take a fancy to a girl from a third-grade side family?
